Church Matching Scholarship

The Church Matching Scholarship is designed to encourage churches to provide scholarship support for students who are studying at Word of Life Bible Institute.

If there are questions concerning the Bible Institute's Church Matching Scholarship, please contact the Financial Aid office at 800-331-9673 Option #3

We look forward to partnering with you in preparing the next generation of Christian leaders for the church.

Scholarship Criteria:

1. Word of Life Bible Institute will match up to \$500 per year for each full-time student enrolled in the Bible Institute program. Church scholarships above this amount are welcomed, but only the first \$500 will be matched by the Bible Institute.
2. A church official must submit the attached form along with a check payable to Word of Life Bible Institute by registration day of the student's first semester. Church Scholarships received after the deadline will be credited to the student's account, but matching funds will no longer be available. The student should check with the Financial Aid Office and follow-up with the church to ensure the information is submitted before the deadline.
3. Donations or Scholarships will be accepted from churches only. Personal checks and payments from other sources will not qualify for matching funds. Donations for the Church Matching Scholarship must not come from wages that would be received on an hourly or salaried basis. It is not designed to match wages, internship monies, or gifts from individuals for specific students. This scholarship is not designed as a way for parents to make payments on a student's school bill.
4. Students must also complete the general scholarship application found at www.wordoflife.edu in order to qualify for school matching portion.

*Institutional Scholarships are subject to review and change by the scholarship committee. The committee determines student eligibility, award criteria, and the amount awarded.
