PHILOSOPHY

Mission Statement

The mission of Word of Life Bible Institute is to educate each student within a rigorous academic and structured discipleship atmosphere preparing them to live a life of maximum effectiveness for the Lord.

All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works.

– 2 Timothy 3:16-17

Philosophy Statement

Word of Life Bible Institute as an educational institution has developed its entire program around a particular philosophy of education. This philosophy of education is based on three key words: Know (study) Grow (life), and Show (ministry). These three words characterize our approach to education.

Believers are commanded to study the Word of God, accepting it as their foundation and authority. Since discipleship and character building are the responsibility of godly leadership, we need to build an institution that will educate students in Biblical doctrine and conduct through the classroom and lifestyle of our staff. Our goal is to produce students that practice excellence in the Christian life bringing glory to God.
