

GRADING PROCESSING

Grades can be viewed online with the appropriate password. All grade issued at the end of the semester are final and are placed on the student's transcript.

When grades are computed, a student may be placed in one of several classifications depending upon their grade point average: Dean's Honor List (3.50 or above), Dean's List (3.00-3.49), Academic Probation (2.00 and below), and Academic Discipline (below 1.50 at the end of the first semester to below 2.00 by the middle of the second academic semester). Details of Academic Probation, Discipline, or Dismissal are found in the Academic Handbook.
