

Tax Relief Alternatives

Alert Concerning Verification & The Data Retrieval Tool

Dear Student,

If your 2017-2018 FAFSA is flagged for verification a few alternatives are available other than providing the Tax Return Transcript.

Alternatives:

- **Tax Filers** – Provide a (**signed and dated**) copy of the Federal 1040, 1040A, or 1040EZ Tax Return filed with the IRS.
- **Non-Tax Filers** – Provide a (**signed and dated**) statement certifying that you have “not filed” and were “not required” to file a 2015 Tax Return.
(Note: All non-taxable earnings and the source must be listed and reported with the supporting W-2 information.)

Sincerely,

Jim Henson
