PHILOSOPHY, MISSION, AND OBJECTIVES OF WORD OF LIFE BIBLE INSTITUTE

PHILOSOPHY

Word of Life Bible Institute as an educational institution has developed its entire program around a particular philosophy of education. This philosophy of education is based on three key words: Know (Study), Grow (Life), and Show (Ministry). These three words characterize our approach to education.

Believers are commanded to study the Word of God, accepting it as their foundation and authority. Since discipleship and character building are the responsibility of godly leadership, we need to build an institution that will educate students in biblical doctrine and conduct through the classroom and lifestyle of our staff. Our goal is to produce students that practice excellence in the Christian life, bringing glory to God.

This philosophy is based on the following principles:

1. We believe that the Bible is not only the foundation for morality, but it is also authoritative in every area that it addresses. It is, therefore, the beginning of wisdom and a prerequisite for any academic endeavor (2 Timothy 2:15).
2. We believe that any area of Bible study must be built on a proper relationship to Jesus Christ (Colossians 2:6-7).
3. We believe that intellectual knowledge is only a beginning step and that a student has not learned until he has put this knowledge into practice (2 Timothy 2:1-2).
4. We believe that character development is a legitimate concern of education (Colossians 1:9-11, 2:8-9; Titus 2:7-8).
5. We believe that staff and faculty are more than teachers. They are role models and, as such, must display Christian character and commitment before the student (Ezra 7:10; 1 Corinthians 4:15-16; Matthew 28:19-20).
6. We believe that doctrine is the foundation of all our endeavors (2 Timothy 3:16; Titus 2:1).

MISSION

The mission of Word of Life Bible Institute is to educate each student within a rigorous academic and structured discipleship atmosphere preparing him or her to live a life of maximum effectiveness for the Lord.

OBJECTIVES

1. Academic Objectives (Study)

The Bible Institute offers only Bible and Bible-related courses in its standard two-year curriculum and in its electives which are designed for those able to handle additional academic work. We seek to instill within students a practical working knowledge of the Bible that will enable them to articulate and defend a biblical worldview. The specific objectives of the academic program are to provide students with:
   a. An understanding of the context, content, and contribution of every book of the Bible.
   b. An understanding of all the basic doctrines of orthodox Christianity.
   c. An in-depth understanding of the major books of the Bible.
   d. Particular ministry skills in evangelism, discipleship, Bible study methodology, leadership, counseling, and biblical communication.

Courses are taught by a dynamic combination of both resident and adjunct faculty who have distinguished themselves in their fields of expertise. Courses are structured to meet high academic standards and are recognized by most Bible colleges so that students can achieve their degree (Bachelor’s or Associate’s in Bible) from that Institution without interruption. The above objectives are the specific focus of the Academic Department.

2. Spiritual Objectives (Life)

In addition to the study of the Bible, the Bible Institute seeks to develop students’ character and life skills outside the classroom. Programs designed to enhance personal spiritual growth are an important part of the Bible Institute experience. Our specific objectives are to help every student to:
a. Develop a habit of daily devotional time in the Scriptures.
b. Pursue personal godly character and corporate biblical community.
c. Apply biblical principles of physical, emotional, and social wholeness to daily life.

A team of godly, compassionate men and women provide instruction, encouragement, and counsel in both formal and non-formal settings, helping students to deepen their relationship with the Lord and to demonstrate a loving concern for others. The above objectives are the specific focus of the Student Life Department.

3. Functional Objectives (Ministry)

Whether the Lord leads a student to the mission field, the ministry, a trade, a business, a profession, or any other field of endeavor, in the light of eternity, the most important issue is how effective that person is for the Lord. Effectiveness in Christian service is measured by the influence that is exerted in the lives of others to lead them to Christ or to help them toward spiritual maturity. Therefore, the Bible Institute seeks to nurture within students a passion for Christian ministry and to equip them to impact today’s society for Christ by involving them in meaningful ministry to others. Our specific objectives are to give every student the opportunity to:

a. Share the gospel with someone and/or counsel them to trust Christ as their Savior.
b. Use their natural abilities and their spiritual gifts in service to others.
c. Gain first-hand experience in missions.

The above objectives are the specific focus of the Ministries Department.

PROGRAM

Word of Life Bible Institute is a two-year, non-degree granting institution, whose high academic standards are recognized by most Christian Colleges. The emphasis of the first year is Biblical Foundation, and it is offered at several teaching sites around the world. The emphasis of the second year is Ministry Foundation, and it is only offered at the main campus located in Pottersville, New York. Students who complete the first year receive a Bible Certificate. A diploma is awarded for the successful completion of both years of the program. Each year is comprised of two academic semesters followed by a Ministry Practicum (1st year) and a Ministry Internship (2nd year).

Word of Life Bible Institute is accredited by the Transnational Association of Christian Colleges and Schools (TRACS), which is an accrediting agency for Christian post-secondary education that is recognized by the United States Department of Education (USDE). Word of Life Bible Institute is listed in the Accredited Institutions of Postsecondary Education Directory.

It is our desire that, as the student applies himself or herself fully to these programs and activities, and above all, yields himself or herself to the guidance and working of the Holy Spirit, that his or her life might be molded into a useful instrument for the Lord’s service.
CODE OF HONOR

I. STATEMENT OF FAITH

1. We believe that the Scriptures of the Old and New Testament are verbally inspired of God, and they are without error in the original writings, and they are the supreme and final authority for faith and life.

2. We believe in one God, Creator and Sustainer of the universe, Who is eternally existent in three persons — Father, Son, and Holy Spirit.

3. We believe in the Deity of Jesus Christ, His virgin birth, sinless life, His death to pay the penalty for everyone’s sins, His bodily resurrection, His exaltation at God’s right hand, and His personal, imminent, pretribulational and pre-millennial return.

4. We believe that all have sinned and are therefore guilty before God and are under His condemnation.

5. We believe that all who by faith receive Jesus Christ are born again of the Holy Spirit, therefore children of God and eternally saved, and that the Holy Spirit dwells within every believer to enlighten, guide, and enable the believer in life, testimony, and service. We believe that God answers the prayers of His people and meets their needs according to His purpose.

6. We believe that God gives spiritual gifts to all believers for the building up of the body of Christ. However, the miraculous sign-gifts of the Spirit, such as tongues and healings, were limited to the early church.

7. We believe in the bodily resurrection of the just and unjust, the everlasting blessedness of the saved in Glory and the everlasting conscious punishment of the lost in hell.

8. We believe that all believers are called to a life of separation from all worldly and sinful practices and alliances.

9. We believe that from the beginning with Adam and Eve, God ordained marriage as only between one man and one woman. All sexual activity outside of this biblical definition of marriage, including homosexual practices, is in direct contradiction to God’s Word and His intention for the institution of the home.

Historicity of Genesis

Word of Life Bible Institute is committed to the historical and factual accuracy of the book of Genesis. Therefore, we teach a recent creation of the entire universe and all forms of life in the six, 24-hour days of the creation week. We believe that Adam and Eve were the first man and woman and that all of mankind has descended from them and has inherited a sin nature from their fall into sin, resulting in a cursed creation. We believe in a personal Satan who led some of the angels to rebel, enticed Eve to eat the forbidden fruit, and continues to oppose God’s program for human history. We believe in a worldwide flood which explains the disappearance of certain species recorded in the fossil record, the subsequent development of mankind from Noah, and the creation of language groups and nations from God’s intervention at the Tower of Babel. We believe that Satan's attempt to overthrow God is doomed to fail and that the Lake of Fire has been prepared as a place of eternal conscious punishment for him, his demons, and all humans who reject Christ.
I. STANDARD OF CONDUCT

1. Word of Life Fellowship, Inc., including domestic and foreign affiliations under the Word of Life structure, is dedicated to the Lordship of Christ in all areas of life. The distinctives of Word of Life lay in its philosophy and goals. The Word of Life family is a community of a board of directors, staff members and students (hereafter referred to as “associates”). Each associate consequently bears certain responsibilities and obligations within the organization for the implementation of its philosophy and goals. In order that the organization functions efficiently and its goals be realized, it is necessary that there be a mutual commitment to a corpus of standards which involve the willing surrender of certain individual purposes and goals.

2. Word of Life follows specific biblical principles, which relate to Christian behavior. Therefore, Word of Life prohibits practices, which are clearly forbidden by the Word of God, such as drunkenness, sexual immorality, dishonesty, and the like (I Corinthians 6:9-20). Further, to expect associates to exemplify Christian love, consideration for the rights of others, honesty, and a high sense of Christian ethics is to expect only that which the Word of God teaches to be primary in the character of the Christian (Ephesians 4:24-5:8).

3. Word of Life is firmly committed to a literal interpretation of the Bible and rejects any attempt to “reinterpret” Scripture in light of “modern” moral or psychological theories. In the biblical account of creation, the family was the first societal institution ordained by God (Genesis 1:27, 2:18-22). Furthermore, Scripture plainly declares that the first two human created by God were a man and a woman (Genesis 1:27, 2:18-22). God joined the man and woman in the holy rite of matrimony and commanded them to be fruitful, multiply, and replenish the earth (Genesis 1:28). Therefore, the only legitimate marriage is the joining of one man and one woman (Genesis 2:24, Romans 7:2, I Corinthians 7:10, Ephesians 5:22-23).

In both the Old and New Testaments, God has commanded that no intimate sexual activity should take place outside of a marriage between a man and a woman. Accordingly, all forms of homosexuality, lesbianism, bisexuality, bestiality, incest, fornication, adultery, and pornography are sinful perversions of God's gift of sex (Genesis 2:24, 19:5, 13, 26:8-9, Leviticus 13:22, 18:1-30, Romans 1:26-29, I Corinthians 5:1, 6:9, I Thessalonians 4:1-8, Hebrews 13:4).

Since Word of Life believes that all sexual activity outside of a marriage, including homosexual practices, are in direct opposition to God’s Word and constitute a direct contradiction to God’s institution of the home, Word of Life will not employ or continue to employ men or women who promote or participate in homosexual behavior or any other sexual activity outside of marriage.

4. Word of Life recognizes the principles of Christian liberty within the sphere of those things, which are intrinsically innocent. However, Word of Life also recognizes that liberty needs to be restricted in certain instances. Scriptural precedent is found in Acts 15 and Romans 14, where certain practices inherently innocent were forbidden because they could do spiritual harm to other members of the Christian community. Verses for reference include:

- I Corinthians 6:12 — Lawful, but not expedient (not profitable for our good)
- I Corinthians 10:23 — Lawful, but not edifying
- I Corinthians 8:9 — Could be a stumbling block
- Romans 1:32 — Christians are different, and by living like the world, we approve of it. There should be no pleasure in watching sin.
- Ephesians 5:6-7, 11 — Don’t be deceived with vanity and participate in it.
- Colossians 3:17 — Make sure it pleases the Lord, not the emotions-flesh or self.
- Hebrews 12:1-2 — Lay aside weights as well as the sin.

5. Certain principles of conduct are a necessary part of the effort to establish an atmosphere within which the goals of Word of Life can be realized. For this reason and in an effort to maintain a consistent and above-reproach testimony to youth,
Word of Life requires associates to refrain from the possession or use of alcoholic beverages, all smoking products, recreational and illicit drugs, from gambling, and from social dancing. Ceremonial dancing at special family events such as weddings and anniversaries is permitted. Biblical discretion and restraint will be exercised in all choices of entertainment, including radio, television, all forms of audio and visual recordings, movies, stage productions, computer and video gaming, various forms of literature and social media (Psalm 101:3, Romans 14:13-17, I Corinthians 9:22-23, I Corinthians 10:31, 2 Corinthians 6:3, Philippians 4:8, Ephesians 5:3-4, I Timothy 4:12, Titus 2:12). Furthermore, it is expected that associates will actively support a local Bible-believing church through service, giving, and allegiance (Hebrews 10:24-25).

6. Word of Life rejects the principle that exposure to and/or experimentation with doubtful and objectionable practices is essential to the development of moral or intellectual discernment and/or discrimination. Word of Life reserves the right to make the final decision in any questionable area.

7. Word of Life recognizes that observance of Word of Life standards does not comprise the whole of an individual’s responsibility to God and hence does not necessarily indicate that one is living a life of full commitment. The philosophy of Word of Life, however, maintains that willingness to obey these standards shows a maturity and spiritual concern for the whole Christian community (Galatians 5:13-24).

8. Conduct that is an offense to good taste, sound morality, or Christian propriety will not be acceptable. While some may not have personal convictions wholly in accordance with Word of Life standards, the purpose underlying them necessitates the honorable obedience to them. If an individual can no longer in integrity conform to them, that person should withdraw from Word of Life. Willful disobedience of these standards will bring about dismissal from Word of Life immediately.

9. To insure that the position of Word of Life will be maintained in an uncompromising manner and believing that a consistent and exemplary life should be expected of those who undertake the instruction and guidance of Christian youth it is required that associates shall individually affirm by signing the following at the time of initial association and shall so reaffirm at such time as determined by Word of Life.
II. GRIEVANCE POLICY

We believe that the first step in resolving any dispute, whether interpersonal or organizational, is to invoke the principles outlined in Mathew 18 and to directly address the party (or office) with whom a problem has arisen in order to seek a resolution. It is our sincere hope that as two believers openly seek the mind of the Lord in regards to their concerns, the Holy Spirit will bring peace to the situation. As this may not always be the case, human intervention may at times be required.

If, in spite of all sincere attempts, a matter remains unresolved, the next step may be to file a formal grievance. A form for such purpose is available from and should be submitted to the Executive Dean’s office in Schroon Lake, New York who will address the matter with all appropriate personnel within 14 days. Every effort will be made to resolve all issues in writing within 30 days or less. One must recognize that solutions may not be deemed satisfactory by all concerned parties. However, the administration will seek a resolution that is fair, practical, and based on the authority of Scripture.

If, after following through on the above procedure, a student believes his/her grievances were not satisfactorily addressed by the administration of the Word of Life Bible Institute, he or she may contact the Transnational Association of Christian Colleges and Schools (TRACS) at: 15935 Forest Rd., Forest, VA 24551, by telephone at (434) 525-9539, or by their web site tracs.org.

IV. TITLE IX POLICY

Word of Life Bible Institute is committed to providing a safe environment free from discrimination. We believe that all people are created in the image of God and are equal. With this in mind, the Bible Institute does not discriminate on the basis of sex in our education programs or activities including recruitment, admissions, distribution of financial assistance, hiring practices, employment or promotion. This echoes Title IX of the Education Act, which states, "No person in the United States shall, on the basis of sex, be excluded from participation in, or be denied the benefits of, or be subject to discrimination under any education program or any activity receiving Federal financial assistance."

The following seeks to clearly define terms and set forth policies to educate our campus community and help ensure that our campus remains a safe environment for all to learn and grow in their walk with the Lord. The Bible Institute has designated the following individuals to coordinate our efforts in this area:

Title IX Coordinator – TBA & Updated Electronically
4200 Glendale Rd, Administrative Building

Mrs. Karen Smith
Title IX Investigator & Dean of Women
4200 Glendale Rd, Student Development Center
(518) 494-1476 | karensmith@wol.org

Mrs. Alyssa Webber
Title IX Investigator & Service Assignments Coordinator
4200 Glendale Rd, Ministries Center
(518) 494-1538 | alyssawebber@wol.org

Definitions

Title IX Coordinator: An employee of the school designated to ensure compliance with Title IX regulations and investigate all allegations of sex discrimination.

Sex Discrimination: Discrimination in employment, admission, and/or participation in sports or school organizations on the basis of one’s sex. Under Title IX, sex discrimination also includes, but is not limited to, any type of sexual
harassment, sexual violence, and sexual assault.

**Sexual Harassment**: Includes, but is not limited to, unwelcome sexual advances, requests for sexual acts or favors, insulting or degrading remarks or conduct, any other unwelcome statements or actions based on sex that are sufficiently severe or pervasive so as to unreasonably interfere with an individual’s education, work performance, or create an intimidating, hostile or offensive environment.

**Sexual Violence**: Any sex act committed against a person’s will or where the person is incapable of giving consent.

**Sexual Assault**: Any type of sexual contact or behavior that occurs without the explicit consent of the recipient.

**Sexual Contact**: The intentional touching of a person’s intimate parts (including genitalia, groin, buttocks or breasts) or the clothing immediately covering a person’s intimate parts for the purpose of sexual gratification or using force to cause a person to touch his or her own or another person’s intimate parts.

**Consent**: All school standards prohibit sexual contact outside of marriage. In addition, sexual activity requires consent from both parties involved as a matter of state and federal law. Consent must be voluntary, clear and unambiguous between both parties. Consent cannot be obtained from someone who is a minor, asleep, unconscious or otherwise mentally or physically incapacitated. Consent cannot be given under coercion, threat or force.

**Complainant**: A student, employee or other school community member who considers filing or files a complaint regarding sex discrimination.

**Respondent**: A person alleged to have committed a violation of the school’s policy regarding sex discrimination.

**Mediation**: In certain instances a complainant may choose to have the Title IX coordinator mediate a peaceful resolution to certain sex discrimination allegations between the complainant and the respondent before an official Title IX complaint is filed. This is the choice of the complainant and cannot be forced by the school. In cases involving sexual violence or sexual assault, mediation is not appropriate and a full Title IX investigation will be opened even if mediation is requested.

**Confidentiality**

Parties who wish to submit a confidential complaint of sex based discrimination, harassment, violence or assault which does not include the complainant’s name must know that this may limit the institution’s ability to fully resolve the complaint. Complainants should know that the Bible Institute will take necessary measures to protect the complainant from retaliation on the basis of making a complaint and will put measures in place to allow the complainant to continue to work or study in a safe and supportive environment without the threat of retaliation or further discrimination. A full complaint will still be handled with the utmost of care but will allow the Bible Institute to completely investigate the complaint and issue sanctions against the respondent if a violation of this policy is found. Staff, including resident assistants, are responsible to report all claims of sex based discrimination to the Title IX coordinator while maintaining confidentiality, if requested.

**Discrimination and Harassment**

If an individual believes that they have been denied admission, employment, or participation in a school program or sport based on their sex or has experienced sexual harassment as defined above, they should contact the Title IX Coordinator immediately. The Title IX coordinator will discuss the nature of the discrimination with the complainant, provide the complainant with a copy of the Title IX policy, and help the complainant understand the investigation and resolution process. If desired, the complainant may elect to have the Title IX coordinator act as a mediator to bring peaceful resolution to the situation, or to forgo mediation at any time and file an official Title IX complaint.

If a complaint is filed, the Title IX Coordinator will open an official investigation. During the investigation, measures may be put in place to ensure the complainant is able to continue their education or employment without threat of reprisal or intimidation as a result of the complaint. Both the complainant and the respondent will be able to submit evidence and produce a list of witnesses that may be able to support their claims. The Title IX Coordinator will report the findings of the investigation to the Dean of Students (in the case of a student or third party) or Human Resources Manager (in the case of an employee or contractor) in the most prudent time frame possible, generally within 60 days of the complaint, for action. Findings will be based on the preponderance of the evidence standard. Once a course of action is determined, the outcome will be officially communicated to the complainant and the respondent in writing. Both parties involved have
the right to appeal the decision. Appeals will be considered by the Executive Vice President, must be submitted within 15 days of the written notification, and will be based on one of the following factors:

1) Procedural misconduct during the investigation.
2) The discipline does not seem to match the infraction.
3) New evidence, which was not previously available during the investigation, which may shed new light on the investigative findings.

Disciplinary action may be suspended during the hearing of the appeal at the discretion of the Executive Vice President in consideration of the safety of the campus community. Appropriate measures will be taken during the appeal process to ensure an environment free of sexual discrimination and retaliation during the appeal process. In the case of an appeal, a final decision will be issued in writing to both the complainant and the respondent.

**Sexual Violence and Sexual Assault**

If a student or employee is the victim of sexual violence or sexual assault, they should seek medical attention immediately to ensure their personal safety and to help aid any future investigations. Once their safety is secured and they have been treated for any medical injuries sustained, the victim should not hesitate to contact a member of the school’s Student Life Department or the Title IX Coordinator to report the crime, regardless of the circumstances. If any student, staff member, or other member of the school community is made aware of sexual violence or sexual assault, they should report it to the Title IX Coordinator immediately.

Once a report has been made, the Title IX Coordinator will put measures in place to secure the complainant’s safety and ensure that they are able to continue with their school or employment. If accommodations need to be made, the Title IX Coordinator will work with the Student Life, Academic and Ministries departments to ensure that appropriate accommodations for transitioning back into campus life are put into place.

The Title IX Coordinator will investigate the complaint independent of any external law enforcement investigations that may be ongoing. Title IX investigators may need to postpone the investigation until law enforcement has concluded the evidence gathering portion of their investigation, but will resume the investigation as quickly as possible. Both the complainant and the respondent will be able to submit evidence and produce a list of witnesses that may be able to support their claims. The Title IX Coordinator will report the findings of the investigation to the Dean of Students (in the case of a student or third party) or Human Resources Manager (in the case of an employee or contractor) in the most prudent time frame possible, generally within 60 days of the complaint, for action. Findings will be based on the preponderance of the evidence standard. Once a course of action is determined, the outcome will be officially communicated to the complainant and the respondent in writing. Both parties involved have the right to appeal the decision. Appeals will be considered by the Executive Vice President, must be submitted within 15 days of the written notification, and will be based on one of the following factors:

1) Procedural misconduct during the investigation.
2) The discipline does not seem to match the infraction.
3) New evidence, which was not previously available during the investigation, which may shed new light on the investigative findings.

Disciplinary action may be suspended during the hearing of the appeal at the discretion of the Executive Vice President in consideration of the safety of the campus community. Appropriate measures will be taken during the appeal process to ensure an environment free of sexual discrimination and retaliation during the appeal process. In the case of an appeal, a final decision will be issued in writing to both the complainant and the respondent.

**Other Related Misconduct**

Word of Life Bible Institute takes the safety of its students, employees and all members of its school community seriously and desires to create an environment where all feel free and safe to report issues in regards to any form of sex discrimination. As such, the school reserves the right to extend grace to complainants and witnesses of alleged sex discrimination in the form of mitigation or avoidance of discipline in regards to the use of alcohol or drugs, provided that the individuals are acting in good faith as complainants or witnesses.
Retaliation; False Complaints

Word of Life Bible Institute prohibits retaliation against anyone for having raised a complaint under this policy in good faith or for cooperating with an investigation of a complaint. Any instances of retaliation should be reported to the Title IX Coordinator immediately and may result in disciplinary sanctions independent of other sanctions already implemented under the policy. Fabricated complaints alleging a violation of this policy will be subject to disciplinary action.
SECTION ONE

STUDENT LIFE HANDBOOK
I. STUDENT LIFE PURPOSE AND STRUCTURE
The purpose of the Student Life Department is to provide the leadership and atmosphere so that each student can be biblically discipled and encouraged to bear fruit (Galatians 5:22-24) in their relationships with one another and with Christ.

A. Objectives
The specific objectives of the Student Life Department are to help every student to:
1. Develop a habit of daily devotional time in the Scriptures.
2. Pursue personal godly character and corporate biblical community.
3. Apply biblical principles of physical, emotional, and social wholeness to daily life.

B. Structure
The Dean of Students, under the authority of the Executive Vice President, leads the Student Life Department including the Dean of Men, Dean of Women, and Assistant Deans. They minister together, overseeing all aspects of campus life including housing, spiritual, and social activities or events, counseling, discipleship, and discipline.

The International Student Coordinator and Campus Pastor assist international and off-campus students with their specific needs.

Discipleship Coordinators are selected to assist the Deans in the management of Student Life programs and the training, oversight, and discipleship of the Resident Assistants. Each Discipleship Coordinator reports directly to a Student Life Dean.

Student leadership (Residents Assistants) is comprised of students selected by the faculty and staff who have demonstrated leadership potential and personal responsibility. They serve to facilitate and maintain the standards of the Bible Institute as set forth in this Handbook. Dorm Resident Assistants assist with the oversight of dorm life and Service Resident Assistants assist with oversight in various service areas. RAs exercise vital leadership roles in the dorms, in service areas, in the classroom, and on ministry teams. They also serve to encourage students in their walk with the Lord.

II. STUDENT LIFE CORE VALUES
The Christian life is a walk of faith. Without faith, it is impossible to please God (Hebrews 11:6). Unbelief turns us away from the Lord, hardens the heart, and neutralizes the benefits of hearing the Word of God (Hebrews 3:12-4:2) whereas faith energizes the work of the Holy Spirit in our lives. Therefore, we want to help students to learn to walk by faith and not by sight (2 Corinthians 5:7). As we seek to encourage this, it is our desire that the following biblical values guide our approach.

A. The sufficiency of Christ through His Word (Colossians 2; 2 Timothy 3:16-17; 2 Pt.1:1-4)
Sanctification is the process by which believers change to become more like Jesus Christ. Salvation and sanctification are both of the Lord, unmerited favors that we access by faith. As we trust and obey God’s Word, the Holy Spirit transforms us through the renewing of our minds (Romans 12:2). Scripture alone can accurately evaluate every situation and provide effective guidance for authentic life change. When external checklists, programs, and policies claim to prescribe a cure for the human condition or to generate spiritual growth on their own, they compete with the sufficiency of Christ through His Word. Therefore, our focus will be to constantly direct students to the Scriptures and help them to internalize truth.

B. The reality of new life in Christ (2 Corinthians 5:14-19; Galatians 2:20; Colossians 1:27,3:1-4)
The Christian life is not a matter of doing all that we can to become like Christ. It is responding by faith to the truth that Christ is now our life and allowing Him to live through us! Since all students who come to WOLBI profess new life in Christ, we take them at their word. In the words of Paul, “Therefore from now on we recognize no one according to the flesh even though we have known Christ according to the flesh, yet now we know Him in this way no longer. Therefore if anyone is in Christ, he is a new creature; the old things passed away behold, new things have come” (2 Corinthians 5:16-17). Therefore, in matters of behavior, personal responsibility, and community life we appeal to a student’s new identity in Christ and call him or her to live in a manner that is worthy of their calling (Ephesians 4:1; Philippians 1:27); no longer for self but for Him who died and rose again on their behalf.

Revised October 2019
C. Heart transformation (Romans 12:1-2; Ephesians 4:17-24; Colossians 3:15-16; Hebrews 4:12-13)
The Word of God makes it clear that our fundamental problem is deeper than a lack of information or of skill. It is in fact, our hearts which are easily led astray from faith to unbelief (Hebrews 3:12-13). Scripture teaches that the goal of instruction is a pure and a sincere heart (1 Timothy 1:5; Hebrews 10:22). Therefore, in each of the processes of instruction, admonition, correction, and restoration we aim to deepen students’ understanding of how behavior originates from the heart and is ultimately linked to faith and unbelief. Our goal is to allow the penetrating light of God’s Word to examine their hearts, fill them with truth (Philippians 4:8), and transform them by the renewing of their minds.

D. Edifying relationships (Hebrews 3:13, 10:24-25; Galatians 6:1-5; Ephesians 4:14-16, 25-32)
God has placed believers in a community, the Church, which is described as Christ’s flock, His body and His building. These metaphors indicate that God never intended believers to function in a vacuum! Paul compares us to the interdependent parts of the human body (1 Corinthians 12:31) and reminds us that we are actually “members of one another” (Ephesians 4:25) and are to build each other up in love as we minister to each other (1 Peter 4:8-10). The New Testament employs the phrase “one another” over fifty-six times in order to express the shift from the self-interest of the unbeliever to the gracious humility of the believer who now expresses love and concern for others. This is not accomplished by simply deploying a program but also by spending time listening to and building relationships with one another. Realizing that we are all tempted by sin, believers can move toward one another with understanding and humility, calling each other away from the dangers of sinful choices and pointing one another back to the truth of God’s Word. Scripture teaches that the end goal of all discipline is restoration of freedom, fellowship with God, and fellowship with one another. In this way, the loving pursuit of a brother or sister in sin becomes an act of compassion.

E. A compassionate environment (Colossians 3:12-14; Philippians 2:1-4)
We want to provide a nurturing community, where we walk with students through the issues they are struggling with. We desire to show them how to live in fellowship with other believers and what it means to walk in relationship with the Lord and to experience His grace together. The Word of God instructs us that it is the grace of God, rightly understood, which teaches us to “deny ungodliness and worldly desires and to live sensibly, righteously and godly in the present age” (Titus 2:11-12). This does not imply an absence of rules nor of correction. Rather, a compassionate environment provides the right context within which to:

- Function with the understanding that no one is perfect though we are all accountable (Philippians 3:12-16).
- Deal appropriately with sin and to pursue authentic biblical freedom (Galatians 6:1-5).
- Forgive others freely from the heart (Matthew 18:35).

III. STUDENT LIFE PHILOSOPHY
At WOLBI we pursue life change! The Student Life Department facilitates this by maintaining an atmosphere conducive to growth in faith, hope and love. This atmosphere is cultivated in the dorms, in co-curricular activities, in campus service assignments, and in ministry. Our philosophy describes the approach we take and is well summarized in the following verses: “We proclaim Him, admonishing every man and teaching every man with all wisdom so that we may present every man complete in Christ. For this purpose also I labor, striving according to His power, which mightily works within me” (Colossians 1:28-29). To that end, the philosophy of the Student Life Department centers around three concepts:

A. Christ-Dependent - because we tend to depend on ourselves.
(1 Corinthians 1:30-31; 2 Corinthians 12:9-10; Galatians 2:20; Philippians 3:1-16; Colossians 2:1-23, 3:1-3)
Scripture teaches that Christ is our wisdom, righteousness, sanctification, and redemption. He is our life, our hope of glory, and the one in whom we are now hidden in God. Every day we are called to live out these realities by faith. We share the same concern as the Apostle Paul, who said, “But I am afraid that, as the serpent deceived Eve by his craftiness, your minds will be led astray from the simplicity and purity of devotion to Christ” (2 Corinthians 11:3). Therefore, we desire to continually point students to Christ, who is the object of our faith, and away from a dependence upon themselves and the tendency to pursue self-righteousness in one’s own strength by the keeping of rules. True righteousness is through faith in Christ. Though rules are important for worship and fellowship, they can never produce genuine godliness, since they are powerless in dealing with the weakness of the flesh. Therefore, we seek to encourage students to keep their focus on Christ not on themselves nor on other people (Heb.12:1-2) and to rejoice in Him, not in their own accomplishments.
B. Love-Driven - because we tend to neglect others.
(Matthew, 22:36–40; Ephesians 5:1–5; Galatians 6:1–5; 1 Peter 1:22, 4:8–10)
One of the characteristics of an authentic Christian community is love for others that is the result of having experienced God’s grace and love for oneself (John 13:34–35; 1 John 4:19). Humility, a teachable heart, and a desire to seek the best interests of others are hallmarks of sincere love. This often involves setting aside personal preferences in order to serve others or help those who may be struggling in some area of life. In cases where a brother or a sister is struggling with sin, attending to their heart is more like a walled garden than a fortified compound. This does not imply an absence of rules or discipline. Love does not ignore truth nor does truth override the need to be loving (Ephesians 4:15). Compassion does not preclude giving directions, issuing warnings, and providing correction and training that is consistent with truth. Discipline proves relationship. Instruction demonstrates love (Hebrews 12:8). Furthermore, biblical discipline is not heartless nor does it follow a predetermined set of responses. The Word of God exhorts us to “admonish the unruly, encourage the fainthearted, help the weak, and be patient with everyone.” (1 Thessalonians 4:15). This implies a need to exercise discernment in choosing an appropriate course of action in response to misconduct rather than dealing exactly the same way with everyone regardless of their response to correction. Therefore, in all discipline situations, we will seek to choose a response that is in a student’s best interest and which is appropriate to his or her particular circumstance.

C. God-Glorifying - because we tend to live for self.
(Romans 8:29; 1 Corinthians 6:18–20, 10:31; 2 Corinthians 5:14–15; 1 Peter 2:11–12, 4:10–13)
The end goal of all spiritual growth is to be conformed to the image of Jesus Christ, reflecting Him to the world rather than pursuing our selfish desires and drawing attention to ourselves (Romans 13:14). Therefore, we encourage students to view every dimension of life as a forum for putting Christ on display and to allow Him to live through them. Seeing all of life as a platform to glorify God rather than self makes the classroom, the dorm room, and one’s ministry or service assignment places where God is to be honored rather than ignored.

Compassion and Discipline
It is our desire to provide a compassionate, nurturing environment at the Bible Institute that is more like a walled garden than a fortified compound. This does not imply an absence of rules or discipline. Love does not ignore truth nor does truth override the need to be loving (Ephesians 4:15). Compassion does not preclude giving directions, issuing warnings, and providing correction and training that is consistent with truth. Discipline proves relationship. Instruction demonstrates love (Hebrews 12:8). Furthermore, biblical discipline is not heartless nor does it follow a predetermined set of responses. The Word of God exhorts us to “admonish the unruly, encourage the fainthearted, help the weak, and be patient with everyone.” (1 Thessalonians 4:15). This implies a need to exercise discernment in choosing an appropriate course of action in response to misconduct rather than dealing exactly the same way with everyone regardless of their response to correction. Therefore, in all discipline situations, we will seek to choose a response that is in a student’s best interest and which is appropriate to his or her particular circumstance.

Biblical Mandates and Institutional Policies
The administration of WOLBI recognizes that there is a distinction between Biblical Mandates and Institutional Policies. Both can be found in our Standard of Conduct as well as in this Student Handbook. Biblical Mandates are specific commands from God’s Word directed to all believers at all times in all places such as the command to abstain from sexual immorality (1 Thessalonians 4:3). Institutional Policies such as specific dress code expectations are best viewed as “house rules” intended to maintain an environment most conducive to the realization of our goals (No one appreciates chaos.). As a spiritual as well as an academic community, we ask students to adhere to both Biblical Mandates and Institutional Policies.

While a student’s personal convictions may differ somewhat from Institutional Policies, their free choice to become a part of the Bible Institute community constitutes a commitment to willingly abide by them, both on and off campus, while the academic semesters are in session (Hebrews 13:7,17). When at home during official school breaks, students are accountable to Biblical Mandates but not to Institutional Policies. It is expected that they will conduct themselves in a way that will honor the Lord and will not discredit their identity in Christ, their parents, their local church, or the ministry of Word of Life with which they are associated during the time of their enrollment. When determining appropriate responses to misconduct, attention will be given to recognizing the differences between Biblical Mandates and Institutional Policies. The goal of the administration will always be to restore students to freedom and fellowship.

IV. SPIRITUAL LIFE
The Bible Institute program has been designed to encourage spiritual growth, but, in the end, it is the student’s responsibility under the guidance of the Holy Spirit to undertake the changes that the Word of God demands in order to grow. In keeping with an environment conducive to spiritual growth, all students are responsible to observe the following:

A. Chapel
Chapel services are held Wednesday and Friday featuring resident and adjunct faculty as well as guest speakers. All
students, including off-campus students, are required to attend chapel services. Students are expected to take notes as these are part of their Christian Disciplines grade.

B. Church
Church attendance on Sunday is required. Morning services are conducted at the Bible Institute each Sunday. Students may also attend local churches in the area. Physical attendance is required; watching a service online is not sufficient. There are times when students must attend on campus due to conferences, Snow Camp or special training sessions.

C. Dorm devotions
1. Monday through Thursday evenings, devotions are held in the dorms from 9:15 to 9:30 PM. Devotions are generally led by the Dorm RAs, with students presenting the devotional on a scheduled basis.
2. The Deans may occasionally change the time of dorm devos or schedule special speakers. Dorm RAs must first obtain permission from their DC to have a special speaker in the dorm.
3. All students are expected to participate in presenting devotions periodically each semester.

D. Quiet Time
1. Time is set aside each day for students to have their own personal “Quiet Time” with the Lord.
2. Students must be in their rooms and no other activities are allowed during the Quiet Time period. Students with early morning work assignments must complete their Quiet Times before going to bed.
3. Students are required to use at least the current Word of Life Quiet Time Diary as part of their devotional period and to fill in the comments for each day. As a means of providing helpful accountability, staff, RAs and DCs will periodically check Quiet Time Diaries.
4. On Saturday, Sunday and Monday, students are responsible for scheduling their own Quiet Time period. In each case, they must be completed prior to “Quiet-in-Dorms.”
5. Students must complete the Quiet Time Diary every day they are enrolled as a student, including weekends and breaks.

E. Conferences
1. Missions Conference. Several days are devoted to a special mission’s emphasis at the beginning of the winter season. Speakers and seminars as well as personal interaction with the missionaries themselves provide valuable insight and motivation. God often uses this conference to dramatically change the direction of students’ lives.
2. Founder’s Bible Conference. This conference is held in the spring semester honoring the ministry of the founders of Word of Life.
3. We consider these conferences to be an integral part of the program and all students are expected to attend.

V. ENTERTAINMENT MEDIA
A. Music, movies, and video games are permitted under the following conditions:
1. Students may listen to music on campus. Early in the fall semester, students attend Source One, which is a seminar designed to help them evaluate their entertainment choices through the principles of God’s Word. Following this seminar, students are required to write out their own biblical principles for entertainment and give a copy of them to their Discipleship Coordinator and Dorm RA. This project counts toward the student’s overall Christian Disciplines grade.
2. The student should be willing to allow the Dorm RA, other students, and staff to ask accountability questions about whether or not their music and movies are in line with their biblical principles for entertainment. Please see the Word of Life Standard of Conduct (#5, pp. 6-7) for guidelines on Christian Liberty regarding entertainment.
3. In the dorm, music and movies can be played audibly provided each student is careful to honor the biblical principle of “preferring one another” (Philippians 2:4) with regard to volume, appropriateness, personal convictions, etc.

B. Certain media content may be restricted or limited at times due to content or bandwidth constraints.

C. Music, movies, and video games may not be played during the following times: Quiet Time, dorm devotions, class, and service or ministry assignments. However, students may listen to music during study hours through headphones only.

D. During Quiet in Dorms, entertainment must be played through headphones only.

E. The Deans will make the decision as to what musical instruments may be used in the dorms. Amplifiers, drums, and keyboards are not permitted in the dorms without the use of headphones.

F. Computer monitors and small televisions (i.e., maximum 32") are permitted for use with game consoles.

Revised October 2019
VI. RELATIONSHIPS

We encourage men and women to form healthy relationships. WOLBI desires to teach and model an approach to moral purity in relationships that reflects biblical values. We believe that sexual intercourse and many of the acts leading up to it are reserved exclusively for the context of a biblically defined marriage (Genesis 2:22-25; Matthew 19:4-6). Outside this context, sexual activities such as sexual intercourse, oral sex, forms of intimate touching and homosexual behavior violate clear biblical teaching (Romans 1:26-27; 1 Corinthians 6:9-20; Galatians 5:19; 1 Thessalonians 4:3-8) and are prohibited even when consensual. God’s design at creation for both sexual desire and orientation is within the context of the marriage union between a man and a woman. Therefore, gender identity is a feature of God’s original creative design (Genesis 1:26-28).

Word of Life believes that the term “marriage” has only one legitimate meaning, which is how marriage is defined, described, and illustrated in the Bible: the joining of one man and one woman as their genders were determined at birth, into a single, covenantal union. Whenever there is a conflict between Word of Life’s position and any new legal standard for marriage, the ministry’s Statement of Faith, doctrines, and biblical positions will govern (Genesis 2:24; Ephesians 5:22-23; Mark 10:6-9; 1 Corinthians 7:1-9).

Word of Life requires its students to obey the Bible’s teaching that no sexual activity be engaged in outside of marriage as defined above. Word of Life believes that any other type of sexual activity, identity, or expression that lies outside of this definition of marriage, including those that are becoming more accepted in the culture and the courts, are contradictory to the Bible’s design and purpose for sexual activity (Genesis 2:24, 19:5; Leviticus 18:1-30; Romans 1:26-29; 1 Corinthians 5:1, 6:9-10; 1 Thessalonians 4:1-8; Hebrews 13:4).

Students who are involved in or are pursuing a “dating” relationship are to be guided by biblical principles. Scripture gives us helpful insight on how members of the opposite sex should interact with one another. “Do not rebuke an older man but encourage him as you would a father, younger men as brothers, older women as mothers, younger women as sisters, in all purity” (1 Timothy 5:1-2). In marriage, a husband and wife become one flesh (Genesis 2:24). In a dating relationship, however, a man and woman remain brothers and sisters in Christ. Scripture calls us to treat one another as brothers and sisters, “in all purity.” It is our desire to help students who face all kinds of sexual temptations.

A. Dating, engagements, and marriages
   1. Marriage plans made prior to attendance should be communicated to the Student Life Department upon enrollment. Marriages are not allowed during the school year without prior permission from the Executive Vice President.
   2. The Student Life Department should be consulted prior to any engagement between two current students during the school year and that parental/guardian permission be given prior to the engagement.
   3. Divorced or separated students are not allowed to date while enrolled at the Bible Institute.

B. Physical contact
   1. For the sake of accountability and testimony, physical displays of affection should be limited to a brief embrace, upon leaving for or returning from official school breaks. Holding hands (except for engaged couples), kissing, or any other physical contact is not allowed on or off campus.
   2. Physical contact between members of the same sex must be within the bounds of biblically acceptable behavior.

C. Third-party rule
   1. Two students of the opposite sex must have a third party with them at all times except while in the central area of the campus. This area extends from the Ranch parking lot to the JWC parking lot and excludes any remote or darkened location within it.
   2. When students in mixed company visit, use, or are invited to a home, the owner (or renter) must be present.

VII. OFFICIAL SCHOOL BREAKS

A. While Biblical Mandates apply at all times, students are not held to the Institutional Policies of Word of Life during school breaks unless they are on the Bible Institute campus or on a Word of Life ministry trip, in which case they are.

B. During official school breaks, the campus and dormitories close. Students are expected to arrange their own housing and transportation during those weeks.

C. Students are typically not permitted to leave or return early or late for official school breaks. In the case of extenuating circumstances, special permission is required from the Student Life Deans. Failure to obtain this may result in a zero grade for missed course work.

Revised October 2019
1. If special permission is granted to leave early, course work can be made up in one of the following ways:
   a. Complete the work ahead of time by viewing the previous year’s class on the campus-intranet.
   b. Arrangements must then be made with the Academic Department to complete assignments and take quizzes and exams.
   c. Return early to make up the work in the library. Note: Summer ministry requirements are not an acceptable excuse for prolonging make-up work.
2. All make-up work must be completed by the deadline established by the Academic Department including all assignments, quizzes, or exams. Failure to do so will result in a zero grade for the course.
3. As per the standard stated elsewhere, no more than 20% of a semester may be made up by video. If illness or other factors result in a student missing more than 20% of the semester, they may be asked to withdraw and then to re-enroll when they are able to complete the program in the classroom.

VIII. ACADEMICS AND STUDENT LIFE

A. Announcements
   1. Scrolling announcements will be posted on classroom screens during breaks.
   2. Evening announcements may be given in dorm devotions Monday through Thursday evenings. For off-campus students, these announcements may be emailed.
   3. Students are responsible for any important announcements or meeting requests sent to their e-mail accounts or posted in Canvas by staff and faculty.

B. Classroom
   1. The use of personal electronic devices of any type is limited to note taking during class lectures.
   2. Beverages are permitted in the classroom only if they are in a non-spill, closed lid container.
   3. During warmer months, students should eat any snacks outside. During colder months (December to March) students may eat indoors. First year students should restrict eating to the JWC lobby. Any trash or spills should be taken care of up immediately.
   4. Cough drops, breath mints, and small, hard candies not on a stick are permitted in the classroom during class session.

   For all other Academic policies see the Academic Section beginning on page 37.

IX. CAMPUS LIFE

A. Care of buildings
   1. Students collectively sign a “dorm contract” with their Dorm RA at the start of the year, which serves as a reference during room inspections at the end of the year. Damages may result in fines determined by the Student Life Deans.
   2. Screens are not to be removed from windows. There is a $10 replacement fee for missing screens.
   3. Extension cords are not permitted in dorm rooms but power strips are. However, a power strip may not be connected to another power strip.
   4. Hot oil poppers, toaster ovens, hot pots (unless a coil is built into the base), hot coils, halogen lamps, and sun lamps are not allowed in the dormitories due to fire hazard. Hot air poppers are allowed.
   5. Air-conditioners are not permitted in student housing.
   6. Students must not store items in the boiler room or enter it at anytime.
   7. Tampering with the temperature settings of water heaters and furnaces is not permitted. If there is a problem with furnaces or water heaters, contact your Dorm RA. Please do not attempt to make repairs.
   8. It is a violation of New York State law to tamper with, cover, or in any way deface exit signs or fire extinguishers.
   9. With the exception of housing during Snow Camp, all buildings on the north (Ranch) end of campus beyond “Trails End” dorm are off limits, whether locked or unlocked, until the summer camp season begins. Those with authorized access must check with Property Services personnel to obtain a key.
   10. Students are requested to turn off all lights and electrical appliances when leaving dormrooms.

B. Cleanliness
   1. Dorms are to be kept clean and neat and will be inspected regularly at the discretion of the RAs, DCs, or Deans.
      a. Beds should be made.
      b. Dirty laundry must be kept in a laundry bag or closed container.
      c. Food must be kept in sealed containers.
      d. Rooms, halls, and entryways must be kept free of clutter.
2. Dorm Jobs
   a. Each person will take turns cleaning their dorm building. Dorm RAs will post and maintain a schedule for this.
   b. Each student is responsible to conscientiously complete their assigned dorm job daily. They are to be done and checked off daily by “Quiet in Dorms” time.
   c. If you have a conflict, please check with your Dorm RA about the time your job should be done.
   d. If you are away when scheduled, it is your responsibility to find a replacement.

3. Students are reminded that personal hygiene is essential, particularly when living in dorms. Students are expected to shower and launder their clothes and linens regularly.

C. “In-dorms” and “Quiet-in-dorms”
   1. Please refer to the daily schedule for “In-dorms” and “Quiet-in-Dorms” times.
   2. During Quiet-in-Dorms, only desk lamps are to be used. An atmosphere conducive for sleeping must be maintained for the sake of others. No forms of entertainment should be played out loud.

D. Study hours
   1. Study hours are required for all on-campus students, except for those on the Dean’s Honor List (3.0 GPA). See the student weekly schedule for exact times. (See section two of Academics for more details.)
   2. Dorm rooms are to be quiet during the evening study hours with no talking or unnecessary noises (see “Cell Phones” below). Study hours are for individual studying. Group studying, while recommended, is for breaks and free time.

E. Pets
   With the exception of fish tanks (in which only fish are permitted), pets are not permitted while in residence at the Bible Institute. Fish tanks may not exceed ten gallons.

F. Posters and pictures
   All posters and pictures in the dorm should not be excessive in number and must not conflict with biblical principles or values. Tape is not permitted on painted surfaces, A “sticky tack” type product should be used.

G. Room entry
   Authorized personnel of the Bible Institute reserve the right to enter dorm rooms at any time for the purpose of maintenance, inspection, health safety, or to investigate violations of Bible Institute regulations. The exercise of this right will be carried out with restraint and discretion.

H. Cell phones
   1. Cell phones are to be silenced and not used during class and other public meetings. For those with required study hours, there should be no use of cell phones in the dorms or library during that time (talking or messaging). Students may use their phones for studying purposes or for listening to music (headphones only). Use of cell phones during “Quiet-in-dorms” should be limited to activities that allow others to sleep (e.g. no talking, music without headphones, etc.).
   2. For legal, safety, and insurance purposes the cell tower site and its access road are off limits to all students. It is fenced and is not the property of Word of Life. Trespassers could face prosecution.

I. Special permissions
   1. Philosophy of special permissions
      Special Permission is needed from the Student Life Deans for any of the following:
      a. To miss class (other than for being sick. See attendance policy under Academics), work assignments, study hours, in-dorms, ministry, chapel, church, discipline work hours, conferences, or any other required activities.
      b. To travel home or anywhere that would involve an overnight stay. “Standing permission” will be handled on a case by case scenario. All special permission policies apply.
   2. Procedures for special permissions
      a. Special permission may be obtained online and must be submitted by 5:00 PM on Wednesday to be considered valid for the upcoming weekend.
      b. Generally speaking, students will not be permitted to miss class or service assignment. The Ministries Department must approve any requests to miss a service assignment.
      c. Special permissions will not be granted until make-up work or outstanding discipline work hours have been scheduled.
      d. Poor academic or disciplinary standing may limit special permissions.
      e. During the winter season, students are very involved in Snow Camp. Therefore, weekend special permissions are only granted in extreme situations.

Revised October 2019
f. Occasionally, due to scheduling constraints, students may be required to apply for special permission earlier. Students will be notified in these cases.

J. Visitors
1. Overnight visitors. Students may have overnight visitors provided they adhere to the following guidelines:
   a. Students may periodically spend the night in another dorm room, but they must obtain permission from their DC in advance.
   b. For outside visitors, permission must be granted by the Student Life Department at least two days in advance.
   c. A visitor’s pass must be obtained from the Student Life Administrative Assistant in the Student Development Center during regular office hours. The cost is $30/day, which covers meals and lodging regardless if visitors eat off-campus.
   d. Accommodations, if available, will be assigned by the Student Life Administrative Assistant for overnight visitors. Generally, special permission will not extend beyond three nights.
   e. Generally, visitors must be between the ages of 16 and 30.
   f. We are unable to provide on-campus housing for parents. Accommodations may be available at the Lodge or Lakeside properties. Contact Customer Service at (518)494-6000, option 1 or customerservice@wol.org
   g. All visitors must register their vehicle upon check in, indicating the make, model, and plate number of their vehicle.
   h. Generally, visitors will not be permitted during the week that precedes official school breaks.
   i. The third-party rule applies to students with visitors and guests.

2. Daytime visitors
   a. All day visitors must sign in and sign out at the Welcome Center or at the Student Services Desk.
   b. All day visitors may purchase meal tickets at the Welcome Center or at the Student Services Desk.

K. Vehicle policies
The following policies have been set in place to ensure the safety and welfare of students, employees, and visitors as well as for the protection and maintenance of Bible Institute property.

1. Parking Permits
   a. All persons who bring motor vehicles to campus must register them with the Security Department ($25 per semester).
   b. A display decal will be issued and should be placed on the left hand corner of the rear window behind the driver. Replacement decals may be purchased at the Administration Building for $5.
   c. Bicycles, motorcycles, ATVs and snowmobiles all require a permit and registration. The permit must be displayed on the left front “fork” of the motorcycle or front handlebars of the bike.

2. Parking Locations
   a. The Bible Institute is a pedestrian campus. All roadways and walkways are considered fire lanes. Parking on grass or along parking lot curbing is prohibited.
   b. Student parking spaces are limited to the Jack Wyrtzen Center Lot and Ranch Lot.
   c. Students are not allowed to park in spaces assigned to employees or campus visitors. Vehicles parked in disabled person spaces must display state-issued disabled person identification at all times.
   d. Students may not park in front of or behind the Field House or on walkways near the Student Life Center.
   e. The lots in front of the Administration Building, the Welcome Center, Health Center, Asia, Italy, Europe, Hungary, Scotland, and the Ministries Center are reserved for faculty, staff, and campus visitors only. Student vehicles parked in those areas will be ticketed.
   f. The Council Hall Lot is reserved for handicap parking and faculty.
   g. Abandoned vehicles are subject to towing at owner’s expense unless special arrangements have been made in advance with the Security Department.

3. Driving Regulations
   a. The maximum speed limit on the campus is 15 MPH.
   b. Riding on the hood or trunk of a car or in the bed of a truck is not allowed.
   c. WOLBI is not responsible and assumes no liability for damage or theft of any vehicle or its contents.
   d. Vehicles and operators must fulfill all requirements of the State of New York (e.g., insurance, inspection, registration, etc.) Unregistered or uninsured vehicles are not permitted on property. This includes motorcycles, ATVs (such as 4-wheelers), etc.
   e. Helmet laws for motorcycles and ATVs must be followed on campus.
f. All vehicles must stay on approved roads.

4. Offenses
There are at least four types of driving offenses a student may be cited for on campus:
   a. Unregistered vehicle (or registration not properly displayed)
   b. Unauthorized parking
   c. Speeding
   d. General violation (reckless driving, disobeying traffic signs, etc.)

5. Fine and Payment Process
Students are required to present the original ticket and fine payment to the Student Development Center within 14 days of issuance. Violation records will be maintained and, upon identification of repeated offences in relation to a particular vehicle, the increased penalty will be imposed as set out below:
   a. First offense: $10.00
   b. Each additional offense increases by $10 (2nd: $20; 3rd: $30)
   c. Fourth offense: $40 and suspension of parking privileges
   d. Fines that are not paid within 14 days will result in a suspension of parking privileges. Unpaid fines at the end of the year will be added to a student's account and may result in their diploma being withheld.
   e. Security staff may also use a parking boot or a local towing service for parking violations if necessary.

N. Bicycles
No bicycles may be kept in the dorms or on the porches. All bikes should be placed in a bike rack when not in use. A bike lock is strongly recommended. All bikes must be properly locked in approved storage areas during breaks.

O. Dining room
1. General Guidelines
   a. Students must enter the meal line and present their own student ID before taking any food or drink from the food lines. Students are not permitted to bring food back to a roommate unless they are sick. There is to be no ‘cutting’ in line.
   b. Off-campus students and all guests must purchase a meal ticket at the Student Services Desk. There is no charge to off-campus students and spouses for school banquets but tickets for children must be purchased.
   c. No food is to be removed from the dining room or picnic table area except that which would be appropriate for immediate personal consumption such as a sandwich or a piece of fruit. No table items (plates, cups, bowls, silverware, salt & pepper, condiments, etc.) are to be removed from the dining room.
   d. Only one temporary meal pass is permitted per week.

2. Special dietary needs
   a. Students with special dietary needs or allergies should bring them to the attention of the chef at the beginning of the semester. Every reasonable effort will be made to accommodate special needs once staff has been informed. Combinations of allergies, allergies not listed, and other special dietary needs must be reviewed with culinary staff before approving the ability to serve. A doctor’s note is requested.
   b. Word of Life is not an allergen-free facility, as we regularly serve foods containing peanuts and tree nuts, dairy products, seafood and fish, eggs, gluten, refined sugars, soy, and other common allergens. Word of Life strives to keep allergen items separate during preparation, serving, and storage for your safety but it is not guaranteed. We cannot guarantee that as a student you will completely avoid contact with a particular food while at our facilities, and we may not be able to accommodate those with severe allergies, who react not only to a food being ingested, but also to skin contact, close proximity, or an airborne allergen.
   c. It is the responsibility of the student to communicate with the culinary staff to guarantee accommodations. To reach the culinary staff, email food@wol.org. If allergies or needs change, a meeting with the culinary staff is required to assess how those needs may be accommodated.
X. **DRESS CODE**

The Bible Institute strives to maintain a standard of dress and appearance that communicates modesty and discretion without magnifying or bringing undue attention to the individual. Modesty is a matter of biblical principle and discipline in the area of acceptable dress is a necessary part of life preparation regardless of a student’s future plans.

XI. DISCIPLINE
The Student Life Department desires to provide students with leadership and an atmosphere suitable for discipleship. Staff will seek to help students to mature and to develop self-discipline. Throughout the school year, discipline may become necessary to assist in this growth process. Discipline may be preventative or remedial, depending upon the nature of the offense and the attitude of the student. Disciplinary action may include campusing, work duties, accountability, counseling, or other measures deemed appropriate. In some cases, it may become necessary to suspend or dismiss students.

It is important to realize that our desire is to help students grow into conformity to Christ. One indicator of a genuine desire to change is whether or not a student comes forward on their own or is caught. Another indicator of a genuine heart is whether or not they tell the truth. These indicators of a repentant spirit, as well as others, will be taken into consideration when taking disciplinary action.

As stated earlier, Scripture teaches us that punishment and discipline are not end goals when dealing with sin. Our objective must be biblical restoration as stated in Galatians 6:1. Realizing we are all tempted by sin, the believer can move towards another with understanding and humility, calling them away from the dangers of sinful choices. In all disciplinary matters, the staff will seek to pursue an approach that harmonizes both compassion and correction seeking what is deemed to be in the best interest of both the individual and the wider Bible Institute community.

A. Disciplinary objectives
1. To teach obedience to the Word of God. God holds us accountable for obedience to the standards that He has revealed to us in His Word. We believe that discipline should cause students to consider their actions and attitudes and to bring them into alignment with biblical directives (Hebrews 12:10-13).
2. To promote harmony. As in any community, certain “house rules” must be established so that things function smoothly and efficiently. In some cases, individual liberties have to be limited if this is to be accomplished (Romans 12:10; Philippians 2:3-4).
3. To teach self-control. One of the characteristics of spiritual maturity is self-control. Not all offenses are the result of sinful actions on the part of the student but may be a matter of the student learning and growing in certain areas of his or her life (Galatians 5:23; Titus 1:8; 1 Corinthians 9:25)
4. To model restoration as we seek to help students abandon sinful or destructive attitudes and actions (1 Thessalonians 5:14), be forgiven, and be restored to a right relationship within the body of Christ.

B. Biblical confrontation
The purpose of confrontation is to direct students’ attention to a particular problem in order to help them make the
necessary changes in keeping with Biblical Mandates or Institutional Policies. The course of action taken will be based on the principles set forth in 2 Thessalonians 5:14, which include correcting the unruly, encouraging the fainthearted, and helping the weak.

1. Even though misconduct is addressed by staff, Resident Assistants, or others designated by the Deans, we encourage students to respectfully confront one another and encourage one another toward “love and good works” as is biblically appropriate (Galatians 6:1; Hebrews 3:13, 10:24).

2. Confrontation should first be handled privately and in person rather than bringing others into the picture who are not involved. If resolution is not achieved, you should follow the guidelines for appeals.

3. Recurring disciplinary problems and uncooperative and/or critical attitudes may result in disciplinary probation, inability to enroll for the following semester, or dismissal.

C. Discipline point system

Violations of Institutional Policies may result in discipline points (D-points). The primary consequence for discipline points is work hours served on Mondays. The following is a general description of the discipline point system.

1. Warnings
   a. RAs distribute warnings for cleanliness violations and other violations of a minor nature.
   b. Students may receive warnings for cleanliness of personal area such as bed, desk, closet, bathroom, etc.

2. One D-point violations
   The following is a list that includes but is not limited to infractions for which students may receive one D-point:
   a. Accumulation of three warnings.
   b. Being late to class, church, work, ministry, service assignment, devos, curfew, or required meetings. Points may vary based on the extent of the tardiness.
   c. Not following policies for Quiet Time, study hours, quiet in dorm, etc.
   d. Failure to do dorm job.
   e. Failure to do Quiet Time.
   f. Eating or chewing gum in the classroom.
   g. Inattentiveness or being disruptive in class or meetings.
   h. Dress code infractions.
   i. Entertainment policy infractions.

3. Five D-point violations
   The following is a list that includes, but is not limited to, infractions for which students may receive five D-points:
   a. Skipping any required meetings or assignments (church, devos, conferences, study hours, ministry, service assignment, discipline work hours, etc.)
   b. Hosting unauthorized visitors overnight in the dorms.
   c. Disassembling or removing dorm furniture.
   d. Failing to have a third party.
   e. Being late for curfew beyond 30 minutes.

4. D-point work hours
   Accumulated D-points can result in a variety of consequences with work hours being the most common. Two work hours will normally be assigned for every five D-points accumulated. The following is a description of how the discipline work hours function:
   a. Notices for students having required work hours are emailed to students.
   b. Students receiving notices have until Friday of the same week to see their Discipleship Coordinator and schedule their work hours.
   c. When work hours conflict with approved special permissions, students are expected to work their hours. Students with outstanding work hours will be denied special permission applications.
   d. In general, discipline work hours occur on Mondays. Students may choose to work beginning at 9:00 AM or at 2:00 PM (or both if necessary). For example, if a student’s regularly scheduled service assignment occurs on Monday mornings, they are expected to report at 2:00 PM. However, if a student has a school-mandated responsibility that prevents them from working on Monday OR if the student worked on a Monday but still owes work hours, they are expected to request of their Discipleship Coordinator to work on another/additional day(s) of the week.
   e. All students assigned discipline work hours are to report to the assigned work area at the designated time. Skipping assigned work hours will be considered the equivalent of skipping a required activity.
   f. Discipline work hours may not be rescheduled. Those who are sick should see their DC to get reassigned.
5. Campusing
   a. At times, students may be campused in addition to serving discipline work hours.
   b. A student who is campused is not permitted to leave campus without permission from the Deans.
   c. Campusing cancels out any previously granted special permission.

6. D-point appeals
   All disciplinary actions may be respectfully appealed as follows:
   a. Appeals must be made within 48 hours of receiving the D-point slip.
   b. Appeals related to dorm life and classroom matters are to be brought to your Discipleship Coordinator.
   c. Appeals related to Service or Ministry Assignments are to be brought to the Student Services Desk.
   d. Denied appeals may be brought to the respective Ministry and Student Life Deans if necessary.

D. Dismissal
   Students dismissed for disciplinary reasons...
   1. Will be required to leave campus as soon as possible and may not be permitted to mix with other students.
   2. May not be permitted to return for a period of time in order to provide an opportunity for growth under the ministry of their local church.
   3. May have to sign an agreement that outlines the conditions for re-enrollment. In each case, a student must reapply. Conditions to re-enroll may include but are not limited to the following:
      a. Engage in biblical counseling. A positive recommendation will be required from the counselor.
      b. Demonstration of the fruit of repentance by a change of lifestyle and/or attitude.
      c. Active involvement in a local church and regular time in the Word of God.
      d. The following are examples of the types of behaviors that may result in disciplinary action or dismissal:
         - Sexual immorality
         - Harassment, including sexual harassment, assault, and stalking
         - Possession and/or consumption of alcohol, use of tobacco, use of drugs, or abuse of a substance otherwise legal or association with those doing the same
         - Theft or possession of stolen property
         - Violence or threat thereof to others or to oneself
         - Hazing
         - Unauthorized possession or use of a weapon (see WOL Firearms Policy)
         - Violation of New York State or Federal criminal codes. This would include the possession of, trafficking in, or distribution of illegal drugs or alcohol
         - Willful propagation of doctrinal error or teachings which are contrary to Word of Life's Statement of Faith
         - Failure to comply with written or verbal directives from staff or faculty in the performance of their duties
         - Dishonesty, including but not limited to cheating, plagiarism, falsification of information on official documents, lying to a staff member during an inquiry, and forgery.
         - Frequent disciplinary problems or an uncooperative/rebellious spirit
         - Unauthorized possession, duplication, or use of keys to any campus or camp premises or buildings
         - Academic deficiency as described in the Academic section of the Handbook
         - Failure to attend classes, service assignments and/or ministry.
   e. Students who are dismissed are responsible for getting their personal belongings home within two weeks. Word of Life staff and students are not responsible for packing and shipping their belongings. After two weeks, all belongings that remain on Word of Life property will be considered abandoned and will be donated or discarded.

E. Communication with parents
   We encourage students to maintain regular communication with their parents. The preferred form of communication is when students assume responsibility for themselves as adults by contacting their parents regarding their own personal circumstances whether they are related to academics, health, or discipline. Under certain conditions, the Student Life Department may ask students to contact their parents.

XII. COMPUTER USAGE POLICIES
   Word of Life Bible Institute provides students with access to network and computing resources as an integral part of the educational environment. Students using these resources should do so responsibly in ways that are consistent with the
school's mission and objectives. WOLBI reserves the right to mandate and enforce appropriate regulations to that end. Enforcement of these regulations may involve the monitoring of stored files and electronic transmissions such as e-mail and website accesses. Use of Word of Life’s network and computer equipment constitutes agreement with these regulations and monitoring activities.

A. Definitions

For the sake of objectivity, the following definitions and descriptions will be considered the standard by which acceptable computer use will be judged.

1. Word of Life Computer Network: This is a network of computers tied together for several purposes including e-mailing, sharing information, fulfilling academic coursework requirements, Internet access, etc. This network can be accessed by faculty, staff, and students when authorization is granted.

2. Word of Life Intranet: The intranet is a resource that gives much information about the Bible Institute, including daily scheduling, meal menus, class notes, etc. It is a valuable tool for keeping up to date on the happenings around the Bible Institute.

3. Privacy: Each student's account is as confidential as the student mandates through his usage practices. Since Word of Life owns the network equipment, WOL reserves the right to examine any and all information accessed by the student. This includes e-mails, anything saved on any hard drive, Internet sites visited, etc.

4. Firewall and Content Filtering: Word of Life uses a filtering and firewall system to prohibit access to content that does not fit the biblical standard of being “true, honest, just, pure, lovely, and of good report” (Philippians 4:8). All activity is logged and monitored by the Student Life Department.

5. Objectionable content: This includes but is not limited to the following:
   a. Pornography. So-called “adult content” depicting or describing sexual acts, erotic material, nudity, etc.
   b. Violence. Graphic depiction of violent acts including murder, rape, torture, and/or serious injury.
   c. Drug use. Material encouraging the use of recreational drugs including tobacco and alcohol advertising.
   d. Gambling. On-line gambling and gaming services.
   e. Offensive language and tasteless subjects. Crude, vulgar language or gestures. Such material includes tasteless humor (e.g., excretory functions), graphic medical photos outside of a medical context, and some forms of body mutilation such as cutting or branding.
   f. Crime. Encouragement of tools for, or advice on, carrying out criminal acts. This includes lock-picking, bomb-making, and hacking information.

B. General policy

1. Students are responsible for the use of their own network account. They must take reasonable precautions to safeguard their passwords and are not allowed to share access with other students.

2. Transferring copyrighted materials to or from any system or via the Bible Institute network without the express consent of the owner is a violation of Federal and State laws. Examples of illegal copying include:
   a. Making a personal copy of software licensed to the school.
   b. Copying files created by another person without obtaining that person’s permission.
   c. Installing software on a computer without first obtaining a license for that software.

3. Browsing, exploring, or making unauthorized attempts to view data, files, or directories belonging to the Bible Institute or to other users is forbidden. It is also unacceptable to corrupt files, introduce deviant software (worms, viruses, etc.), or interfere with someone else’s legitimate computer use. Possession of a program designed to gain unauthorized access will be deemed to constitute an attempt at breaking computer security.

4. Your computer should not be set up as a server that will in any way interfere with the normal operation of our network. This includes dhcp servers, dns servers, etc.

5. “Bursty” protocols such as NetBEUI or AppleTalk are not permitted. These are unnecessary for operation on the Word of Life network and simply degrade performance for all other users.

6. Word of Life reserves the right to update or change this policy at any time without notice. Effort will be made to notify students of all changes.

C. Hardware policy

Students are expected to treat Word of Life equipment with appropriate care.

1. The network, wireless, and computer equipment installed on campus is essential to providing you with service. It must not be moved, touched, or tampered with in any way. If there are problems, or something is not working, please submit a simple help desk request, and it will be fixed.

2. Computer repairs and re-cabling must be done by Information Technology staff. Students are not allowed to open the computer cases nor to add or remove memory or other internal features.

3. Adding any equipment to the network including but not limited to hubs, switches, access points, routers, wireless

Revised October 2019 - 29 -
devices of any type is prohibited. These items will be confiscated if found.

4. All computer monitors must face the public and must be in clear view of supervisors.

XIII. CAMPUS SECURITY AND EMERGENCY PROCEDURES

A. How to get help:
   2. Report non-emergency crime or suspicious behavior by calling 518-494-6200 or email security@wol.org or by speaking with a security officer.
   3. For non-emergency injuries and illnesses, contact Telemedicine (see “Health Center” XIV).
   4. For non-emergency maintenance concerns, enter a work order or contact your supervisor.

C. Security Officers
   WOL is a proprietary security guard agency registered with New York State. The security personnel include the unarmed security guards, armed security guards, and emergency response team members. Security personnel are not law enforcement officers, but derive authority from WOL. Arrest powers are limited to the citizen's arrest regulations. Emergency response team members are full-time staff who have other roles within the organization but are armed and trained to respond to violent encounters. Security personnel communicate with local authorities including the NY State Police and the Warren County Sheriff's Department. The Security department is responsible for the following:
   1. Patrolling properties to deter and detect criminal or suspicious activity
   2. Providing first aid
   3. Enforcing vehicle and parking rules
   4. Locking buildings
   5. Controlling access to properties or buildings (varies seasonally)
   6. Writing reports for incidents
   7. Responding to emergencies
   8. Assisting visitors
   9. Liaison with law enforcement and emergency responders

D. Campus Security Authorities and Mandatory Reporters
   Federal and state laws dictate that certain staff members are obligated to report crimes to the Security department, law enforcement, or social services. These staff members include counselors, unit leaders, resident assistants, Discipleship Coordinators, Deans, HR staff, Security staff, SIC and Camp Crew coordinators, camp directors, and childcare staff.

E. Confidential Reporting
   All victims or witnesses of a crime are encouraged to report it immediately to Security. They also have the option of reporting it to local enforcement, or a counselor, Unit Leader, Resident Assistant, Discipleship Coordinator or Dean. These individuals are required to report certain crimes (crimes against minors or crimes that pose a threat to others), but the victim may choose not to share this information with Security or law enforcement. In that case, the counselor will only report to Security that a crime occurred and the nature of the crime for statistical purposes.
F. **Crime and Fire Log**
   The Security department maintains a daily log of crimes, fires, and other activity reported to Security. It is available in the security office. Additionally, the Security Department and local law enforcement agencies compile statistics for crimes that occurred on our property. See the Annual Crime and Fire Statistics for more information.

G. **Emergency Alerts**
   In the event of an emergency, you will receive an alert via text message and email. Based on your location, you may also receive alerts over the ShoreTel phones, two-way radios, public address systems, or other means. Staff, students, volunteers, family camp guests, and camp youth leaders are enrolled in the alert system automatically. The Security Department will test the alert system twice a year, at the beginning of the BI fall semester, and at the beginning of the summer camp season. Please keep your phone number and email address on file up to date. Contact your camp office or the BI Student Life Department to update this information.

H. **Access Control**
   Our BI campus is generally open during the day and visitors are requested to sign-in at the Welcome Center. Access to youth and family camps are limited to staff, registered guests, and approved vendors. Camp visitors must sign in at the front gate upon arrival. Members of the opposite gender are not permitted in housing units for campers, students, or single staff. Students and staff should keep housing doors locked at all times and report unauthorized persons. Classroom doors should be locked during class or other meetings. On occasion, Property Services, Housekeeping, Security, or Student Life may enter housing units to make necessary repairs or inspections. Student Life, Security, and Law Enforcement reserve the right to enter dorm rooms and other buildings to investigate violations and crimes. Security officers patrol during the day to detect unauthorized access and lock all buildings at night.
## I. Emergency Procedures

This is available on Monday and Thursday afternoons at 1:45 PM. To request transportation, please contact the Ministry Logistics Coordinator at aestursberg@wol.org. D. Missing required activities due to illness
1. Service assignments are required.
2. Students can miss up to three Service Assignments per semester for sickness without penalty. Sick students, who will miss a ministry or Service Assignment, are required to fill out an excuse form through Canvas.
3. Missed Service Assignments do not roll over to the following semester. If a student misses more than three assignments, they will be assigned appropriate d-points (see “Discipline”, p. 23, XI), will be reassigned to make up missed assignments, and their Christian Disciplines grade will be reduced appropriately.
4. Students with significant or prolonged medical conditions should email the Health Center at healthcenter@wol.org to make reasonable accommodation regarding class, ministry, and Service Assignment. Students who require extensive and/or extended nursing care may be hospitalized or sent home until they fully recover. It may become necessary for a student to withdraw from school if illness or recovery hampers his or her ability to complete school requirements.

E. Medication
1. Non-prescription medication. Students can purchase some non-prescription medication at the campus bookstore and may keep a small supply in their dorm room.
2. Prescription medication
   a. Students may keep prescription medication in their room. A lock box is highly recommended.

F. Health forms
If you need a copy of your health form sent to another school, please submit a written request along with a $2.00 fee to have it sent either by fax or by mail.

G. Sexually-transmitted diseases
In the event that a student is discovered to have the HIV virus (the cause of AIDS) or any other sexually-transmitted disease, every effort will be made by the administration to determine a course of action that will be in the best interest
of the student and the Bible Institute community. In all cases, confidentiality will be adhered to as permissible by law.

H. Student Accident Plan
1. All full-time students are eligible for coverage under the Student Accident Plan and will be enrolled in the Plan regardless of any other coverage they may have personally or have provided by their parents. The cost of the Plan is $45 per semester and is automatically included in their student fees as billed by the Business Office. Premiums are non-refundable. Coverage under the plan terminates when the plan terminates or when the student is no longer enrolled, whichever occurs first.

2. The Student Accident Plan is a secondary policy. Therefore, all claims must first be submitted to the student’s primary health insurance carrier. Any unpaid portions or deductible may then be submitted under the Student Accident Plan. Policy guidelines for eligible charges and claims procedures are outlined in the brochure.

3. Because this is a student accident plan, COBRA continuation is not available.

4. In the event of an accident:
   a. If at the Bible Institute, report immediately to the WOLBI Health Center so that proper treatment can be administered or approved and, if applicable, an accident report can be filed.
   b. If away from the Bible Institute, consult a physician and follow his or her advice. Treatment of any accidental injury must begin within 72 hours of the injury in order to be considered for coverage. You must report to the Health Center upon returning to the Bible Institute, where assistance will be provided in completing the required forms.

5. Students must submit claims to the Contract Administrator. This will result in reimbursement to the student or direct payment to the service provider. If there is dual coverage, the student must first submit to their primary health insurance carrier but may also submit to the Student Accident Plan to have the claim on file within the six-month deadline for secondary coverage.

6. If students provide proper information to the doctor or hospital, most area providers will bill insurance companies directly. It is the student’s responsibility to ask if fees will be billed directly to insurance companies or if they must submit a claim. Written proof of treatment (itemized bills) must be furnished with the claim within six months of the date of treatment in order to be considered for coverage. It is the student’s responsibility to inform providers of this deadline. The claim should provide sufficient information including the student’s name, address and social security number to allow processing of each claim. Additional forms or information may be requested by the insurance company to assist them in this process.

7. The Student Accident Plan does not provide coverage for accidents that occur while students are using skateboards, long boards, razor scooters and variations thereof.

ACADEMIC HANDBOOK
ACADEMIC MISSION STATEMENT

Word of Life Bible Institute seeks to train each student within a rigorous academic atmosphere to maximize the student’s effectiveness for the Lord by the practical application of Biblical truth. The Bible is the primary textbook at WOLBI. By a detailed study of this textbook, students discover how to live, love, and learn like Christ.

The academic goal of WOLBI is for the student to study, learn, and pass the course assignments. To achieve this desired end, the student must master the process of listening, reading, thinking, and note-taking in the collection of the raw facts for a knowledge base. The student must translate, interpret, correlate, and extrapolate these facts for comprehension. The student must learn how to apply the acquired principles to new situations. The student must be able to analyze the individual components of a principle and identify the interrelationships. The student must learn to synthesize principles and life experiences for new applications. Finally, the student must learn how to evaluate the whole academic process and end product.

Certain facts, definitions, and scriptural passages must be memorized. The student must also be able to express information in well-organized oral and written form. To this end, each student will have opportunity of leading devotional Bible studies and writing research essays, consulting both book and journal resources in the Library, complete with proper bibliographic entries.

ACADEMIC STANDARDS AND PROCEDURES

I. CONDUCT
A. Attendance:
   Attendance is required at all scheduled classes. All missed classes must be made up (See “Make-up Work” below; IID). Students can miss up to 10% of classes per semester (24) for sickness without penalty. These hours do not roll over to the following semester. After being absent more than 24 class hours (10%), the student loses 3% off his/her grade, per class hour missed beyond the allowed 24 classes. Students may submit an appeal to the Academic Dean if they feel that an absence(s) should not count against their 24 sick hours. This appeal must be made within 48 hours of exceeding the maximum allowed sick hours. Class absences due to WOL ministry assignments will not be counted against the 24 hours. If a student abuses the sick day policy (skipping class, etc.) disciplinary action may result, including receiving a 0 for the course(s) missed. Permission to miss class for other reasons must be arranged with the Student Life Deans. If permission is granted, the missed hours will still count towards the 24-class hour limit. Students are expected to be in class on time so as not to be a distraction to other students. After 10 minutes, the classroom doors are locked for security reasons. At that point, students are not able to enter the classroom. If a student is 10 minutes late or more, that class hour will be regarded as an absence.

B. Test/Quiz Absences
   If a student misses a test or quiz, he/she will receive a 0 for that test/quiz (sickness is not an excuse to miss a test/quiz). In extreme situations, within 48 hours the student must fill out an appeal to the Academic Resident Leader, and it will be reviewed by the Academic Dean and/or Associate Academic Dean. Students who have arranged for Special Permission with Student Life Deans will be able to make up quizzes/tests upon returning to campus.

C. Attention:
   All students are expected to pay attention in class. Students should demonstrate attention by taking notes during lectures, chapels, and preaching services. Disrespectful posture, whispering, passing notes, snacking, and chewing gum are not appropriate. Instant Messaging, Texting, using Facebook, cruising the Internet, etc. during class lectures are not acceptable. The instructor, not the bell, ends the class period. It is impolite to close notebooks/computers and

Revised October 2019
pack up before the instructor dismisses the class. Students should not visit the restroom during the lecture or exam period.

D. Aptitude:
Study is hard work. There are no shortcuts. Effort will be required to succeed.

E. Cheating:
Confessed cheating will result in a zero for the test or assignment. Students caught cheating may be dismissed. Even though instructors use new tests each year, students are not permitted to use old tests from former students as study aids. Students should not give hints to those who still have make-up work to be completed. All tests are the property of the WORD OF LIFE Bible Institute.

F. Questions:
Questions will be limited during lectures due to class size. Students should only ask questions that are relevant to the whole class. Students should be careful not to monopolize class question opportunities. Disrespect to lecturers in any form will not be tolerated. Questions can be directed to the instructors between classes, but students must be sitting in their assigned seats before the second bell rings to start class.

II. ACADEMIC INFORMATION
A. Graduation:
Attendance at graduation is expected. Students must notify the registrar if they plan to miss graduation. There will be a modest administrative fee to mail the yearbook and/or diploma.

B. Electives:
There is an additional charge for electives as listed in the catalog. Withdrawals from electives are permitted prior to the start of the second week. Class dress must be worn to electives. First-semester students who take electives should have been in the upper 50% of their High School class for one elective and the upper 25% to attempt two electives. Returning students must have a minimum GPA of 2.50 to take one elective and a minimum of 3.00 to take two electives.

C. Grades:
1. Grade Reports: Grades may be checked online at: bicampus.wol.org. They are updated daily. Parents can get the username and password from their student to view grades online.
2. Explanation of Grades:

3. Computation of Grade Point Averages: Grade point averages (GPA) are determined at the end of each grading period. The cumulative GPA is computed by averaging the work from the beginning of the student's attendance at the Bible Institute through the period covered by the grade report. (Quality points earned divided by hours attempted determine the GPA.)

4. Distribution of Grades: Students should share their intranet username and password with their parents, if they desire to have access to their student's grades.

5. Correction of Grades: Students have only two weeks to question grades by completing the "Grade Question" form.

D. Make-up Work: All classes missed due to any absence must be made up by viewing the class on the campus Intranet. Students will receive a make-up slip in their mailbox. Unless otherwise communicated, all work must be completed within one class day of the class missed. In the event that consecutive days of class are missed, the student has one class day for each of the class days missed. The completed form must be returned to the Academic Resident Leader as soon as the work is complete. All make-up work must be completed prior to going on vacation breaks. Since WOLBI is not accredited as a "Distance Learning Program ("Online Classes"), no more than 20% of the work in any semester may be taken as make-up work. This includes absences due to illness or family emergencies. Therefore, if a student misses 48 class hours, no absences beyond the 48 hours can be made up (missed quizzes or exams taken, homework due accepted, etc.).
E. Overview of the School Year:
   1. The school year is divided into two academic semesters and a required Ministry Practicum (1st year) or Ministry Internship (2nd year).
   2. Two special seminars are held during the school year: the Missions Conference and the Founder’s Bible Conference. Since these sessions are considered by the government to be part of a WOLBI student’s training, attendance is expected and monitored. Those missing conference sessions will be expected to make up the conference videos.
   3. Outside Summer Ministries: Only a few non-Word of Life ministries are approved each year for the summer. In order to be considered, the student must have previously worked at this ministry for an entire summer. The ministry opportunity must be similar to that offered at a Word of Life camp. There is a non-refundable outside ministry application fee of $10.00. The application and fee should be turned into the office no later than Monday of Thanksgiving week. Students starting in the spring semester have until March 1st to submit their application request and fee.

F. Registration: Registration for classes will be held at the beginning of each semester. All students are required to arrive by 5:00 p.m. on the scheduled dates in order to facilitate this procedure. All financial obligations for the semester must be met at this time.

G. Withdrawal Procedure: Students are not permitted to withdraw from the regular scheduled courses of the Institute. Students may withdraw from electives without a penalty before the second class. Students withdrawing from the Bible Institute are required to see the Dean of Men or Women, Business Manager, and Registrar for processing. Failure to do this may result in the student being issued F’s for all course work taken during the semester. Keys and ID's need to be turned in at this time. Refund policies are stated in the catalog. Students who withdraw at any point during the school year are responsible for getting their personal belongings home within two weeks. Students must contact the Dean of Men or Women to return to campus. Word of Life staff and students are not responsible for packing and shipping the belongings. After two weeks all belongings that remain on our property becomes abandoned property and will be donated to the share shop or discarded.

H. Transferring Students: All students must carry the same academic load. Transfer students may replace particular courses with electives. Students should see the Academic Dean for this approval.

III. ACADEMIC STANDINGS

When grades are finalized at the end of each semester, students are placed in one of several classifications depending upon their GPA for that semester.

A. Dean’s Honor List:
   Students achieving an average of 3.50 or higher at the end of a semester (not including the Ministry Practicum or Internship), are placed on the Dean’s Honor List. Students who graduate with a cumulative GPA of 3.50 or higher for the entire year of the Bible Institute will graduate with high honor. Dean’s Honor students do not have required study hours for the entire next semester. However, if students choose to study in the dorm or Library, they must observe the study hour rules. Dean’s Honor students may not enter or leave the dorms while study hours are in progress. The deans may revoke these privileges prior to the end of the semester if the student’s grades fall drastically.

B. Dean’s List:
   Students achieving an average of 3.00 to 3.49 at the end of the semester (not including the Ministry Practicum or Internship), are placed on the Dean’s List. Students, who graduate with a cumulative GPA of 3.00 to 3.49 for the entire year, will graduate with honor. Dean’s List students do not have required study hours for the entire next semester. However, if students choose to study in the dorm or Library, they must observe the study hour rules. Dean’s List students may not enter or leave the dorms while study hours are in progress. The deans may revoke these privileges prior to the end of the semester if the student’s grades fall drastically.

C. Academic Probation:
   Students who have demonstrated low academic achievement in high school or prior college work may be accepted to the Bible Institute on Academic Probation. Students are placed on Academic Probation when their grades fall below certain minimums. If the student has declining grades, the deans may assign the student to Academic Probation prior to the end of the semester. Special permissions may be limited. Students on AP cannot miss study hours to participate in intramural sports.
   1. Freshmen: A cumulative GPA below a 2.00 computed at the end of the semester will place the student on Academic Probation. A current semester GPA below a 1.50 at the end of the semester will place the student on Academic Probation regardless of his cumulative GPA. Freshmen will be given a memo stating where they will study for the semester. Students may be assigned a personal tutor. Students may be offered group tutoring.
   2. Sophomores: Students whose current semester GPA is below 2.00 at the end of the semester, regardless of cumulative GPA, are required to study in their dorms or in the Library during study hours.

D. Academic Discipline:
   Students who have demonstrated low academic performance will be placed on Academic Discipline (AD), according to the following standards. If the student has declining grades, the deans may assign the student to Academic

Revised October 2019

- 44 -
Discipline prior to the end of the semester. Special permissions may be limited. Students on AD cannot miss study hours to participate in intramural sports.

1. **Freshmen** below the following previous semester or cumulative GPA will be placed on Academic Discipline: GPA below 1.50.

2. **Sophomore** students below a cumulative GPA of 2.00 are placed on Academic Discipline. A current semester GPA below a 1.80 at the end of the semester will place the sophomore student on Academic Discipline, regardless of the cumulative grade point average. Sophomore students on Academic Discipline must study in the dorms, not the Library, during evening study hours.

   Study Hours Chart: “Who Studies Where”:
   i. Freshmen & Sophomores: 3.00-4.00 previous semester GPA have no required study hours.
   ii. Freshmen & Sophomores: 2.00-2.99 cumulative GPA study in their rooms or the Library.
   iii. Freshmen: 0.00-1.99 previous semester GPA study in their rooms, not the Library.
   iv. Sophomores: 0.00-1.99 cumulative GPA may be asked to petition the Administration for permission to continue their studies at WOLBI.

**E. Academic Campusing:**
Students below a 2.00 GPA who do not appear to be using their time wisely or studying to the best of their ability may also be placed on Academic Campusing. Students will be required to fulfill the Academic Discipline requirements as well as Campusing requirements. Students on Academic Campusing are subject to dismissal at the end of any grading period if their work shows no improvement. (See Disciplinary Campusing).

**F. Special Students:**
Students with special learning disabilities or handicaps are advised by the faculty on an individual basis. Their continuance in school will be based on their willingness to work up to their ability and maintain a positive spirit while in attendance at the Bible Institute. It will be the student’s responsibility to communicate with the Academic Dean concerning any special needs.

**G. Academic Dismissal:**
Students may be subject to Academic Dismissal on the following basis:
1. Freshman students below a 1.00 cumulative GPA, and sophomore students below a cumulative 1.50 GPA at the end of one semester and who have been on Academic Probation for the previous period may be dismissed.
2. Freshman students below a 1.50 cumulative GPA, and sophomore students below a 1.90 cumulative GPA at the end of two semesters may be dismissed.
3. Failure to attend classes.
4. Exceptions to this policy may only be made by petition to the Bible Institute through the Academic Dean. Students must demonstrate that they have been working at near capacity to qualify for an exception to the above policy.

**IV. GRADUATION REQUIREMENTS**

A. Students must complete the core curriculum and obtain a cumulative grade point average of 2.00 or higher.
   1. Students who successfully complete the freshman year and associated Ministry Practicum receive a Bible Certificate.
   2. Students who successfully complete the sophomore year on the main campus in New York and associated Ministry Internship receive a diploma.

B. Students must be in agreement with the Statement of Faith.

C. Students will be allowed to participate in commencement exercises but will not receive the diploma/certificate or transcripts until all financial obligations have been met in full.

D. Freshman students meeting all the requirements but with a cumulative average of less than 2.00 receive a Certificate of Attendance at the commencement exercises.

E. Sophomore students having a cumulative average of less than 2.00 may elect to participate in commencement exercises but they do not receive a Certificate of Attendance.

F. Students who begin their academic year with the spring semester and successfully complete their year at the end of the fall semester are eligible to participate in the next commencement exercise.

**V. STUDENT STUDY SKILLS ASSISTANCE**

A. **Study Intensive:** Students struggling academically may receive group tutoring by a student tutor. Any students interested in this tutoring are also encouraged to attend.

B. **Peer Tutoring:** Students can request a personal tutor from the Study Skills Coordinator. This program is limited and will be based on need.

C. **Casual Tutoring:** Students are encouraged to help each other prepare for quizzes and tests in their free time. No tutoring will take place in the dorms during evening study hours.

D. **Academic Advising:** Academic advisement is available from the academic staff. Questions relating to specific assignments and instruction can be directed to the resident professors during regular office hours. The Deans are
also available to assist students with questions regarding academics or study advice.

E. Complaint Policy: Complaint resolution: In the event that the student is unhappy with the performance of the assigned tutor, the following procedures will be followed:
1. The student should explain in writing the concerns with the tutor and give the concerns to the Study Skills Coordinator.
2. The Study Skills Coordinator will evaluate the concerns. If correctable, the concerns will be addressed with the tutor and two more sessions will pass before the student can re-submit a written complaint requesting a different tutor.
3. Upon receiving the second written complaint, or if the first complaint appears to be irresolvable, the Study Skills Coordinator will appoint a new tutor.

VI. STANDARDS OF ACADEMIC PROGRESS
The following standards apply to any student receiving aid from the Veterans Administration and TITLE IV eligible program. (Pell Grant, FSEOG, Federal Work Study & or Federal Loans)

Word of Life Bible Institute will evaluate a student’s standard academic progress to consider if the student is on pace to complete the two year program within a prescribed timeframe and with a minimum GPA of 2.0 or better. To do this the school reviews various academic benchmarks: Cumulative GPA, Successful Completion of coursework, and the Maximum Timeframe allowable to complete. A student that fails to meet the pace requirements is considered permanently ineligible for further disbursements of Federal Financial Aid in the Word of Life Bible Institute program of study.

Definitions:
Standard Academic Progress: Standard Academic Progress (SAP) refers to the minimum academic benchmarks for progression toward the completion of the program. These standards include a normal time frame to complete and a maximum time frame to successfully complete the prescribed curriculum.
Cumulative GPA: Calculation of the grade point average for all coursework attempted from the beginning of the student’s attendance at the Bible Institute.
Successful Completion- A grade of 1.0 or better for each course taken. A 1.0 is equivalent to a letter grade of D in each course taken.
Maximum Timeframe- In order to improve a grade or replace an incomplete term a student may require additional time to complete the prescribed curriculum. Students must complete each grade level of the program in a maximum of three academic periods.

A. Normal time frame to complete:
Students that receive Federal Title IV Aid must maintain a Cumulative GPA consistent with the SAP set forth in the table below. A student must also successfully complete all coursework in a payment period in order to progress to the next period and be eligible for additional Title IV funds. For freshmen students, SAP is evaluated after successfully completing one half of the coursework or 15 weeks of course work (whichever is greater). A student progressing as a sophomore will be evaluated at the greater of 30 weeks or just prior to beginning their sophomore year. Further evaluation will occur at the greater of 45 weeks or halfway through their sophomore year. Summer grades count towards the calculation of the SAP but do not contribute toward the weeks or hours completed. To complete within the normal time frame, the student must complete the following minimum benchmarks:

<table>
<thead>
<tr>
<th></th>
<th>1st Semester</th>
<th>2nd Semester</th>
<th>3rd Semester</th>
<th>4th Semester</th>
</tr>
</thead>
<tbody>
<tr>
<td>Instructional Weeks Completed</td>
<td>15</td>
<td>30</td>
<td>45</td>
<td>60</td>
</tr>
<tr>
<td>Instructional Hours Completed</td>

<td>1016</td>
<td>1531</td>
<td>2032</td>

<td>1.80</td>
<td>1.90</td>
<td>2.00</td>
</tr>
<tr>
<td>Successful Completion</td>

<td>Minimum of 1.0 or above on all coursework</td>
<td>Minimum of 1.0 or above on all coursework</td>
<td>Minimum of 1.0 or above on all coursework</td>
</tr>
</tbody>
</table>

If a student falls behind in meeting any of these benchmarks they become temporarily ineligible for further...
disbursements of Federal Financial Aid. Additional time is allowed for the student to regain eligibility and have their aid reinstated.

B. Maximum time frame to complete:
A student must successfully complete all attempted coursework with a satisfactory Cumulative GPA within a specified duration of time. The normal time frame to complete academic coursework is 60 weeks of study as outlined above. Similarly, the maximum time frame allowable to complete the program is 90 weeks. A freshman student has a maximum total of 45 weeks to complete academic coursework in order to progress as a sophomore. A sophomore must maintain a 1.90 Cumulative GPA from 77.5 weeks until completion.

<table>
<thead>
<tr>
<th></th>
<th>1st Semester</th>
<th>2nd Semester</th>
<th>3rd Semester</th>
<th>4th Semester</th>
</tr>
</thead>
<tbody>
<tr>
<td>Instructional Weeks Completed</td>

</tr>
<tr>

<td>Minimum of 1.0 or above on all coursework</td>
<td>Minimum of 1.0 or above on all coursework</td>
<td>Minimum of 1.0 or above on all coursework</td>
</tr>
</tbody>
</table>

At any time it becomes evident that a student is mathematically incapable of meeting any of these benchmarks they become permanently ineligible for further disbursements of Federal Financial Aid.

C. Withdrawal / Incomplete / Repeated Courses.
1. Withdrawal: A student who withdraws in the middle of an academic period and returns after 180 days may be required to retake all course work upon readmission. A student is not eligible for federal aid to retake a course that has been successfully completed in a prior term.
2. Incomplete: Coursework that is NOT completed will be graded as “Withdrawn Passing” or “Withdrawn Failing.”
3. Repeated Courses: A repeated course may improve a student’s cumulative grade and replace a previous failing mark.
4. All coursework attempted at the school will be included in the quantitative analysis of a student’s academic progression (maximum timeframe).

D. Appeal Process:
If a student wishes to appeal his/her loss of federal student financial aid eligibility, a student may submit an appeal in writing to the Financial Aid Office. A committee will review the matter and a written response will be filed within 2 weeks of receiving the appeal. Students may appeal their loss based on mitigating circumstances (documented serious illness, immediate family member death, etc.), which must be appropriately documented when submitted to the Financial Aid Office.

E. Reinstatement:
A student’s aid may be reinstated if grades in a particular academic period bring his or her Cumulative GPA into SAP. It is the student’s responsibility to work closely with the Financial Aid Office on his or her intent to reapply for lost aid and to submit new applications as necessary.

A student should recognize that applications for aid must be submitted prior to deadlines imposed by the Department of Education, including submission prior to graduation or withdrawal. Therefore, a student should file the Free Application for Federal Student Aid each year regardless of whether the student is making satisfactory academic progress.

Mitigating Circumstance:
Mitigating circumstances (documented serious illness, death in immediate family, etc.) may be considered in a student’s situation. The student must offer a written appeal that is documented appropriately to the Financial Aid Office for review by committee. A written response will be filed.
SECTION THREE

MINISTRY AND SERVICE ASSIGNMENTS HANDBOOK
MINISTRIES

Our desire is that this year will be one of the greatest of your entire life as you seek to learn, grow, and serve our wonderful Lord and Savior, Jesus Christ. This handbook will give you an overall view of what the ministries are all about. It is also our desire to help you in your walk with the Lord by equipping you to become the servant that the Lord wants you to be. Remember that the Lord has given us the exhortation in Colossians 1:10 “That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God”. We trust that when this year is finished, you can review it and see how you have grown in your knowledge of the Word of God, and also have become fruitful as a servant, well pleasing to God.

Thank you for choosing the Word of Life Bible Institute as the place of your Christian education and preparation for a life of service!

Introduction to Christian Ministry

I. Purpose of Ministry:
The purpose of the Word of Life Bible Institute Ministries Department is to provide training and opportunity for each student to participate in multiple, meaningful ministry opportunities that have the potential to significantly impact the lives of others.

II. Ministries Department Vision Statement
As a result of their ministry and service assignment experience, we want students to understand the importance of excellence in training, communication, coordination and team work. Our desire is that at the end of the year, students feel they had a substantial role in the functioning of the Bible Institute and its impact on our community and the surrounding area.

Ministry should provide the student with many different experiences in which they can demonstrate their faith in a practical and life-changing way. Through serving, the student can experience the joy of being used by God, which brings reality to their Christian life.

III. Objectives of Ministry
A. To contribute to the total development of the student by teaching them to accept and to be faithful to the responsibility of ministry
B. Place students in situations that stretch them and expand their vision
C. To provide opportunities for students to serve together, learning teamwork, mutual dependence and cooperation
D. To assist the student in the development of a functioning personal faith that discovers Christ is all that is needed for life’s changing demands
E. To promote development of ministry skills and spiritual gifts through actual service
F. To motivate the student to have a proper attitude toward serving the Lord, a burden for souls and a desire to be used of God.
G. To give the student practical experience in the how-to of Christian ministry by providing on the job training
H. To increase the student’s effectiveness by: training them to personally share their faith, providing field supervision, by evaluating their service, and by individual counseling
I. To assist the student in maintaining a proper balance between academic work and Christian ministry
J. To train and prepare students for current and future ministry

To reach these objectives we use a three-fold approach:
1. Education...Early in the school year students will have classes covering different aspects of ministry. Examples are: how to share their testimony, how to do street meetings, personal one-on-one evangelism, etc.
2. Experience...Applying the principles of the Word of God is what life is all about. Throughout the school year we will give the students opportunities to use the principles and methods that they have learned.
3. Evaluation...A student’s ministry is evaluated by a supervisor in the church or ministry. This enables the student as well as the staff to become aware of areas of achievement or areas in need of improvement.

IV. Overview
A. Preface: Acts 1:8, "But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth." Following God’s command not only to reach the world but also our area through Christian Service has been a very important part of the student's
educational program at the Word of Life Bible Institute. Serving Christ is both the privilege and the responsibility of every Christian. Therefore, we consider the practical Christian ministry a vital part of a biblical education. The student will not only get great Bible truths while he/she is sitting in the classroom but will learn how to apply them. Each student will learn how to share them with a lost and dying world, just as the disciples were taught by Christ to do in His Word. It is the desire of the Bible Institute staff to make each ministry meaningful and profitable. If we can help in any way to do this, we stand ready to do so.

B. Ministry Requirements
1. Every student must participate in a ministry each semester they are enrolled. A ministry assigned at the beginning of the semester is not completed until the semester has ended, even if the student has fulfilled the requirements of the ministry.
2. In the event of a necessary change, a request must first be made. The Ministries Department will review and determine if permission may be granted.

C. Request for Ministries
1. Freshman:
   At the beginning of the fall semester, first year students will be given an overview of ministries. Unless the student is on a ministry team for which they tried out, first year students will be placed on a ministry team that will be involved with a large teen outreach (Reverb) and a campus and/or community service. In the spring semester, all first year students will travel to New York City to do Open Air Evangelism.
2. Sophomore:
   At the beginning of the fall semester, second year students are provided with an overview of the many different ministries available to them. Ministries include, but are not limited to: Church Support Ministry, jail ministry, after school programs, community service, and individualized ministry. Second year students also have the opportunity to try out for ministries such as sports and music teams.
3. Assigned ministries take priority over employment and extracurricular activities.

D. Ministry Reports
After a student returns from ministry, they will be required to fill out a brief ministry survey online.

E. Absences and Excuses
1. For missed ministry assignments, see “Missed Required Activities” (p. 33,XIV).
2. Approved special permissions do not excuse students from their ministry assignment or service assignment. Students must be aware of their ministry schedule, which is made available at the beginning of each semester, and plan accordingly.
3. Any ministry absences without permission from the Ministries Department, will be considered an unexcused absence.

F. Dress Code for Ministry
Dress for ministry will be determined by ministry type and will be communicated in advance. Most ministries will require class dress. Team warm-ups for sports teams are required.

G. Ministry Transportation
1. Transportation for all scheduled ministries is provided. Unless otherwise communicated, students should plan to use transportation provided by Word of Life to go to their scheduled ministry. Students must get permission from the Ministries Department before using their personal vehicle to go to their scheduled ministry. Ministry transportation is for Ministry purposes only. Except in extreme circumstances, students cannot use ministry transportation to go home for the weekend, visit friends, etc.
2. You may drive a vehicle only if you have been approved and tested by the Word of Life Operational Services Department. Students are not to drive personal vehicles to ministry assignments without permission from the Ministries Department.
3. Vans are to be parked in the JWC parking lot. Vehicles and keys are to be returned as soon as you return from ministry unless prior arrangements have been made with transportation. Returning vehicles must be cleaned out, refueled, and parked in the JWC parking lot. Keys are to be returned to the Student Services Desk. The driver is responsible for that vehicle and for the safe operation of it.
4. Everyone in the vehicle must wear a seat belt. This includes all passengers as well as the driver. This is a requirement of Word of Life’s insurance.
5. Passengers will be held responsible for violations as well.

H. Ministry Team Leaders
1. Team leaders are students appointed by the Ministries Department to provide spiritual and organizational leadership in the various ministries. Some of their responsibilities are the following:
   a. To make arrangements for team prayer meetings and any other activity associated with the ministry.

Any tracts or material needed for your own personal use should be purchased at the Bookstore café. Occasionally, material is donated to the Ministries Department, and is available in the Ministries Department or at the Student Services Desk.

V. Ministries Available

Unless on a ministry that required tryouts, first year students will be assigned a ministry team for the fall and take part in Snowcamp in the winter. First year students may join a second year ministry team in the spring, if space is available. The following are some of the ministries available:

A. Ministry Team

All first year students, not involved in a try-out ministry, such as music or sports will be on a ministry team that would do a community service project, WOL event, and/or an outreach event.

B. Drama Ministry Team

The drama ministry team is one of the exciting ministries that allows a student to take advantage of his or her theatrical abilities and use them for the glory of God by participating in skits and programs that present various aspects of the Christian life in action. It could be missionary or Bible stories, but all are used to preach the Gospel and help others to know Christ and live a more consecrated Christian life.

Drama team tryouts are during opening weekend in September. If a student is not selected for the drama team, they will then be assigned a ministry. Practices will be held twice a week. The drama team presentations will vary and will be in places such as Christian schools, churches, WOL conferences, and on campus. During the winter months, they will be involved in Snowcamp. *May be selected for tours.

C. Church Support Ministry

The Church Support Ministry (CSM) is limited to second year students for the fall semester and is a great opportunity to serve the Lord on a weekly basis in a particular local church. This gives the student an opportunity to develop the gifts God has given them and to prepare them for future service. The ministry will vary in each local church, but the student will learn
to win souls and disciple them, teach in Sunday school classes, and be involved in the overall projection of the Church Support Ministry. First year students may join a CSM in the spring semester depending on availability.

D. Open Air Evangelism Ministry Every first year student will have the opportunity to do Open Air Evangelism in New York City. Students will receive training on how to personally share their faith and then be given hands on opportunity to make it practical. This ministry goes directly onto the streets to reach the unsaved on the very grounds where they work and live. Students will be on the streets witnessing and helping churches in the area to reach out to their neighbors who need Christ. You will learn how to win souls using a variety of methods that have been time-proven. The leadership of this ministry are men and women who are experienced with open air work and have a passion for winning the lost. The students will go to the New York City metropolitan area and present the Gospel in public places under the direction of a Word of Life staff member. The effective tools of the open air ministry are surveys, sketch boards, tract distribution and counseling.
Second year students will have the opportunity to be a part of a team in the fall to do a few weekends of Open Air Evangelism.

E. Spanish Ministry
This ministry has the goal of going into areas where Spanish is known and used. This will usually be the metropolitan New York City area going into Spanish churches and from there reaching out to the neighborhoods and winning souls. There are times when the team members will participate in other Spanish-related ministries in and around the Word of Life Bible Institute area. The students should know Spanish, but it is not necessary. The students will be involved in Snowcamp during the winter.

F. Sports Ministry
The sports ministry has an incredible opportunity for discipleship and evangelism through the avenue of sports. This ministry is available for those students who have special abilities in the area of athletics. Tryouts are necessary to select the students who will form the teams that represent the Word of Life Bible Institute. A bulk of our games will be played against the secular colleges in the area. Along with the scheduled games that compose the athletic season, there is the opportunity to participate in running various high school tournaments that are held on our campus. These tournaments give our athletes the opportunity to referee, keep score and even have one-on-one input into the lives of the high school athletes who attend. Another opportunity for some of our players is that of going into prisons at various times to play the inmates and have a chance to witness and disciple in this field of evangelism.

Sports Offered:
1. Men’s Basketball
2. Women’s Basketball
3. Men’s Soccer
4. Women’s Volleyball
5. Women’s Soccer
6. Women’s Softball

Requirements - The student desiring to be in the sports ministry must first try out for the team. Once on the team, you will have to maintain an acceptable Grade Point Average (GPA) as determined by the Word of Life Bible Institute Administration throughout the athletic season. Men and women’s soccer and women’s volleyball take place in the fall, men and women’s basketball in the winter, and women’s softball in the spring. During the winter season, all men’s and women’s sports teams will be involved in Snowcamp. The cost for warm-ups and uniforms is $250. Students may keep their warm-ups.

G. Community Service Teams
Teams will participate in community service events and meet needs within the local community. These events will take place on various Mondays or Saturdays.

H. Ronald McDonald House
The Albany Ronald McDonald House provides a haven of comfort, love, hope and support – free of charge – for critically ill children and their families. Students will also have the opportunity to serve at the Ronald McDonald house by making meals for the families staying there.

I. Music Teams
- **Voices of Victory** is a vocal ensemble made up of seven voices (two sopranos, two altos, two tenors, one baritone/bass) and 1 tech member. The ensemble travels periodically to minister in schools and churches in New York and in surrounding states, especially when traveling on the Christmas tour. Ensemble members must be able and willing to fulfill the entire nine weeks of summer ministry with Word of Life New York and then sing at graduation.
- **The Unseen** is made up of bass, acoustic and electric guitarists, a drummer, keyboardist and vocalists. Teams will assist in Sunday worship services, chapels, Snowcamp and several outings at various churches or Christian ministries. Bands will also be selected for tours.
J. Public School Release Time
Release Time is an established after school ministry in the Schroon Lake Central School. Each week teams will have the opportunity to lead games and songs, teach a lesson, or help review the memory verse. Be prepared to use the gifts and abilities God has given you, as well as step out of your comfort zone to participate in sharing the Gospel each week, Thursday, 2:00-4:00pm.

K. WOL Lodge Ministry Team
The Lodge ministry team will travel nine miles up the lake to the Word of Life Lodge and spend multiple weekends ministering to the guests. While staying up at the Lodge, involvement will include childcare, guest hosting, serving, and event programming. This ministry has a wide range of opportunities.

L. Individualized Ministry (Second Year Only)
As a second year student, you have the opportunity to tailor a ministry to your specific interests and abilities. This will require a detailed ministry proposal to be approved through the Ministries Department. Forms are available at the Student Services Desk. Depending on the nature of your ministry proposal, you may be required to provide your own transportation.

M. Tour
Select groups will travel during Christmas break or spring break performing various programs in different areas of the country sharing the gospel in local churches, schools and other venues. Tours are approximately 10 days in length.

VI. Service Assignments
A unique aspect of the Ministries Department is the area of service assignments. Service assignments provide each student the opportunity to develop team work, a godly work ethic, and hands on training in various areas. Service assignments cover every area from maintenance to housekeeping and from food service to administration. Each individual student is key in ensuring the operation of the Bible Institute as a whole. Word of Life is committed to the evangelism and discipleship of youth. Manthano a derivative of the Greek means “to learn by putting what one learns into experience.” Perhaps one of the greatest lessons that we teach others is not so much in what we do, but in how we do it.

There are two types of service assignments that are scheduled throughout the year: regular service assignments and Sunday service assignments. Here is a specific definition of each:

Regular Service Assignment: This is the 6-8 hour-per-week assignment that each student is expected to fulfill during the academic year. This assignment has been determined in part by the survey that was filled out by the student as well as the student’s assigned ministry and by the needs of the Bible Institute.

Sunday Service Assignment: There are no regular service assignments scheduled on Sundays. Therefore, a system has been implemented that tries to be fair and to ensure that all students have the same amount of Sundays off. Thus, each student should expect to serve a few Sundays per semester. Sunday service assignments will be communicated at the beginning of each semester. As this schedule is subject to change, every student is responsible for checking their messages in Canvas each week for his/her assignment.

A. Absence/Late
Please see “Missing Required Activities” (p. 33, XIV). Ministry assignments scheduled by the Ministries Department, serve as valid excused absences. Staff appointments are not considered valid reasons and should be scheduled around service assignments.

B. Breakfast Service Assignments: Those working breakfasts must come prepared to go to class immediately after being dismissed from the service assignment (i.e., bring a change of clothes to work). Students are not allowed to be late for class or chapel in order to change.

C. Lunch Service Assignments: Students working lunch food service assignments Tuesday through Friday will be dismissed first from class and are required to report for work directly after dismissal. No student is allowed to return to the dorm to change for work; therefore, a change of clothes, if desired, should be taken to class. Students may change in the restroom facilities in Council Hall, the JWC, or the BSLC.

D. Special Permissions: Special permissions do not excuse a student from a service assignment. A student with a service assignment that is scheduled during special permission will need to arrange with another student to trade shifts within the same work week by submitting a completed Temporary Service Assignment Switch Form. These forms can be picked up at the Student Services Desk and must be turned in 48 hours before the first affected shift. When reporting to work for another student, sign-in under their name on the timesheet.

E. Timesheets: Students are required to personally sign in and out for each shift on the timesheet provided and they are to total the work hours at the end of the week’s final shift.

Revised October 2019
F. **Changes/Notifications:** During the school year we may need to facilitate special events and schedule changes, therefore rearrangement of student service assignments will be necessary. Students should be alert to notification via Canvas as well as be attentive to class announcements which will take precedence over the regular service assignment schedule.
